Re: Nomination of Trevor Scott Pemberton to serve as United States District Judge for the Eastern District of Oklahoma

Dear Chairman Grassley and Ranking Member Durbin,

My name is Brooke Jackson, and I am writing this letter to offer my full support of the nomination of Trevor Scott Pemberton to serve as United States District Judge for the Eastern District of Oklahoma. I am a licensed attorney in the state of Oklahoma with nearly nine years of experience and have previously worked as an associate at Whitten Burrage Law Firm, a Staff Attorney at the Oklahoma Court of Civil Appeals, in-house Counsel for Mach Natural Resources LP, and most recently as a Visiting Assistant Professor at the University of Oklahoma College of Law. I have known Mr. Pemberton for approximately seven years and worked as a Staff Attorney for Mr. Pemberton at the Court of Civil Appeals. As Mr. Pemberton's Staff Attorney and colleague in the Oklahoma legal community, I have personally witnessed Mr. Pemberton's abilities as an attorney and judge, his work ethic and commitment to public service, and his character.

Mr. Pemberton is a brilliant and wise attorney and jurist and possesses a great understanding of the depth and complexities of the law. In every case at the Court of Civil Appeals, Mr. Pemberton reviewed the record extensively, thoroughly researched the legal questions presented, and fairly and impartially applied the law. As a judge, Mr. Pemberton expressed a deep respect for the rule of law and a great ability to manage complex legal issues across all areas of law. Furthermore, Mr. Pemberton demonstrated extraordinary capabilities in case management, exercising consistent attention to detail, fairness, and dedication in all matters.

In addition to Mr. Pemberton's professional competence, Mr. Pemberton is a man of great integrity and character. As Mr. Pemberton's Staff Attorney, I witnessed him approach each case with fairness

and deference. Moreover, Mr. Pemberton is thoughtful and is even-tempered in all circumstances. As a Federal District Judge, I have no doubt that Mr. Pemberton will continue to exercise impartiality and fairness in his application of the law, and will treat all litigants and counsel with dignity, kindness, and respect.

Mr. Pemberton is a proven leader and public servant who possesses the intellect, wisdom, ethics, and integrity that will make him an exceptional jurist. I respectfully urge the Committee to view Mr. Pemberton's nomination favorably and to expedite his confirmation by the full United States Senate.

Sincerely,
