Ranking Member, United States Senate Committee on the Judiciary

Re: Nomination of Trevor S. Pemberton for United States District Judge for the Eastern District of Oklahoma

Dear Chairman Grassley and Ranking Member Durbin,

I write to offer my unqualified support for the nomination of Trevor S. Pemberton to serve as a United States District Judge for the Eastern District of Oklahoma.

Previously, I served with Trevor in the administration of Oklahoma Governor J. Kevin Stitt, whom I served as Chief of Staff and Deputy General Counsel. I have been a licensed attorney since 2020, and I have known Trevor for approximately seven years.

During our professional and personal acquaintance, I have had ample opportunity to observe Trevor's legal acumen, work ethic, and character. Trevor is a moral exemplar and epitomizes what it means to be a lawyer and member of the bar. His remarkable experience – which runs the gamut from litigator and mediator to state judge and government practitioner – has given him an exceptional command of the law and countless opportunities to demonstrate his capacity to manage complex legal matters.

Objectively, Trevor is an extraordinary lawyer. But among the many excellent lawyers I know, what sets Trevor apart is his unusually steady demeanor, his zeal for the rule of law, and his integrity and professionalism. He will make an exceptional jurist.

I know of no one for whom the appellation "Judge" is more fitting, and I respectfully urge the Committee to view Trevor's nomination favorably and to expedite his confirmation by the full United States Senate.

Sincerely yours,

Grayson P. Walker
Staff Attorney to Oklahoma Supreme Court Justice Travis V. Jett
