Re: Letter of Recommendation for Trevor Pemberton, Nominee to the United States District Court for the Eastern District of Oklahoma

Dear Chairman Grassley, Ranking Member Senator Durbin, and Distinguished Members of the Committee,

We write to offer our strong and unequivocal support for the confirmation of Trevor Pemberton to the United States District Court for the Eastern District of Oklahoma. We have both served as Assistant U.S. Attorneys and Presidentially appointed and Senate-confirmed U.S. Attorneys in Oklahoma and are well aware of the high standards of practice expected. Trevor possesses an outstanding skillset to perform at the highest level as a judge. Over the years, we have worked closely with him on a variety of matters, and we have consistently been impressed by his intellectual rigor, deep respect for the law, and exemplary professional judgment.

Trevor is extremely well qualified and well respected. He has served successfully in his roles as an attorney in private practice, General Counsel to the Governor, District Judge in Oklahoma County, and Judge on the Oklahoma Court of Civil Appeals. He successfully negotiated multiple important tribal-state compacts.

In his prior judicial roles Trevor has always been impartial and prepared. In addition to his legal skills, it should be noted that Trevor has approached legal issues with humility, empathy, and a deep commitment to justice. His demeanor on and off the bench is always respectful, caring, and attentive to litigants and counsel.

Trevor's nomination offers the opportunity to confirm an outstanding judge who will perform his duties at the highest levels. We urge the Committee to advance his nomination.

Sincerely,

Robert G. McCampbell, Shareholder
