Ranking Member Judiciary Committee  
711 Hart Senate Office Building  
Washington, D.C. 20510**

**Dear Chairman Grassley and Ranking Member Durbin,**

**I am writing to unconditionally endorse the nomination, by President Donald J. Trump, of U. S. Marshal Gadyaces Serralta to serve as the Director of the United States Marshal's Service. For the past 45 years, I have been closely associated with leaders in the Law Enforcement Community, which included 28 years in a sworn capacity and serving as the Sheriff of Bergen County, New Jersey. My family and I relocated from New Jersey to Florida in 2012 where, soon after, I became the Director of Security for a large ultra exclusive private community in Jupiter, Florida. Based upon my experience networking with Law Enforcement agencies and private counterparts, I founded the Palm Beach County Law Enforcement/Security Network with 2 others. We are now a network of over 240 high-ranking security professionals and Senior Command Staffs from the Local, County, State and Federal Law Enforcement agencies.**

**I met Marshal Serralta in 2018 when he was first appointed to his position, and have worked closely with him throughout the past 7+ years within our network. In any career field, there are those who truly shine, heads above others, which epitomizes Marshal Serralta. Marshal Serralta's dedication to further the Law Enforcement profession is just another example of his tireless devotion. His integrity is beyond reproach and his truly hands-on approach will certainly bring the United States Marshals Service to new heights.**

**Confirming Marshal Serralta as the Director of the United States Marshals Service will be a tremendous benefit to the Law Enforcement community as well as to the citizens of these great United States.**

**I thank you in advance for your hopeful support in Marshal Serralta's confirmation, and I am always available should you require any further information that I could provide.**

**Sincerely,**

**Jay Alpert**
