RE: Letter of Support for Judge Anna St. John

Dear Chairman Grassley,

We write to offer strong support for the honorable Anna St. John, whose distinguished career reflects exceptional legal ability, sound judgment, and unwavering fidelity to the rule of law. Judge St. John currently serves on the United States District Court for the Eastern District of Louisiana, following more than a decade of experience in complex litigation and public-interest advocacy.

Before joining the federal bench, Anna served in senior leadership at the Hamilton Lincoln Law Institute / Center for Class Action Fairness, where her litigation efforts returned over \$100 million to consumers and shareholders in cases involving unfair settlements or excessive attorney fee awards. She has argued before multiple federal courts of appeals—including the Second, Seventh, Ninth, and D.C. Circuits—as well as state appellate courts and federal district courts.

Additionally, Anna's academic record reflects the same high caliber of excellence. She earned her J.D. from Columbia Law School, where she was recognized as a James Kent Scholar, received her M.A. in Political Science from Columbia University, and graduated magna cum laude from Louisiana State University. Her professional involvement includes service on the Executive Committee of the Federalist Society Free-Speech Practice Group and affiliation with the Independent Women's Forum Law Center.

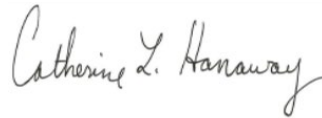

Anna St. John's career and achievements demonstrate intellectual rigor, impartiality, and a deep respect for statutory and constitutional limits. Her integrity, temperament, and commitment to public service make her exceptionally well-qualified for continued service at the highest levels of responsibility. We are honored to provide this endorsement and respectfully encourage full and favorable consideration of her exemplary record.

Sincerely,

Liz Murrill
