RE: Recommendation of Justice Britt C. Grant
For the U.S. Court of Appeals for the Eleventh Circuit

Dear Senator Grassley, Senator Feinstein, and Members of the Committee on Judiciary:

I would like to take this opportunity to lend my support for your consideration of the appointment of Justice Britt C. Grant of the Georgia Supreme Court to serve on the United States Court of Appeals for the Eleventh Circuit.

Justice Grant has a distinguished career in the courts on both sides of the bench. Justice Grant has extensive experience in the legal profession including her service in the Office of then-Congressman Nathan Deal and later under President George W. Bush. She went on to serve as the Solicitor General of Georgia in the Office of the State Attorney General. Her knowledge and understanding of the law is unparalleled. Justice Grant is a fair-minded, intelligent, and experienced member of the Judiciary. She embodies the traits that would make her excel if appointed to the Eleventh Circuit Court of Appeals.

Without reservation, I whole-heartedly endorse the nomination of Britt Grant to this appellate body and urge your committee to recommend her unanimously to the United States Senate.

Sincerely,

A handwritten signature in black ink, appearing to read "Jesse Stone".
