The Honorable Dick Durbin
Senate Judiciary Committee
Washington DC

Dear Chairman Grassley and Ranking Member Durbin,

The Major Cities Chiefs Association (MCCA), a professional organization of police executives representing the largest cities in the United States and Canada, endorses President Trump's nomination of Todd Blanche to serve as Attorney General of the United States.

Throughout his distinguished career, Mr. Blanche has demonstrated an unwavering commitment to public service and the rule of law. As a career prosecutor, he developed a deep understanding of the complex challenges facing our justice system and earned a reputation for integrity, sound judgment, and effective leadership.

Importantly, and what the MCCA has witnessed firsthand, is his accessibility, collaboration, and willingness to engage directly on difficult issues. He understands the complex political and operational challenges facing local law enforcement leaders and approaches them with humility and a genuine desire to listen and solve problems together.

At a time when our nation faces increasingly complex public safety challenges, Mr. Blanche's experience, collaborative approach, and dedication to service make him exceptionally qualified to serve as Attorney General of the United States. For these reasons, the MCCA and its member agencies are poised and prepared to work with Mr. Blanche, and we respectfully urge the Senate to confirm him without delay.

Sincerely,

Chief Jeffrey Norman
