Ref: Support of "Stop Sanctuary Policies and Protect Americans Act"

Dear Senators,

On behalf on Joshua Wilkerson, I want to send my support of "Stop Sanctuary Policies and Protect Americans Act.

On November 16th, 2010, Joshua was brutally murdered and then his body was set on Fire. Per the Medical Examiner it was torture. He was murdered by an Illegal Alien, Hermilo Moralez, brought to this country by his Illegal Alien Parents, when he was 10 years old. He came to America from Belize. Our Family has been crushed, overwhelmed, lost, and irretrievably broken. As a mother I assure you there is nothing like the pain of what I have been through.

This is just "my" story. There are so many families in every state in America that have suffered loss of life just as we have. Sanctuary City Policies invite the criminal element of Illegals to that City.

I want to say Thank you for bringing this key legislation, that will be beneficial to all American Families.

Sincerely,

Laura Wilkerson
