The Honorable Chuck Grassley (R-IA), Chairman
Committee on the Judiciary
United States Senate

The Honorable Dick Durbin (D-IL), Ranking Member
Committee on the Judiciary
United States Senate

Dear Chairman Grassley, Ranking Member Durbin, and honorable members of the Senate Committee on the Judiciary,

My name is Mack Butler and I serve as the State Representative for Alabama House District 28. I am also a small business owner and an active member of my community. It is my understanding that the Committee on the Judiciary is considering a vote on the pending confirmation of my friend Phil Williams. It is my most sincere hope that you will vote to give him a favorable report and send his nomination to the floor for final confirmation.

I have known Phil personally for over 20 years. His family and mine have attended church together and served in various capacities throughout our state. Phil and I both served together in the Alabama legislature, he in the Senate and myself in the House. At various times we actually co-sponsored legislation and successfully saw several of our joint efforts passed into law. During his tenure in the legislature he was known as a man that stood for his beliefs with integrity and was able to work across the aisle with great professionalism.

Phil is a respected member of our community and known throughout our state as a principled, well-spoken leader. He is a strong presence on veterans' issues due to his many years of decorated military service, to include combat tours in Iraq and Afghanistan. But he is also a strong man of faith. One of my favorite memories of Phil came on the night that I was first elected to the State House. Phil drove to my home late that evening when the results came in just to pray over my wife and I. Most recently, one of my sons attended a men's small group Bible study hosted by Phil at his own house.

I have every reason to believe that Phil Williams is the right man to serve our great state as a US Attorney. I believe that he would be fair, judicious, and even-tempered in the application of law. I also believe that he will provide great leadership to the staff of the office to which he has been nominated. I urge you to send his name to the floor for final confirmation.

Respectfully,

Representative Mack Butler
