Re: Nomination of Honorable Myong J. Joun  
for United States District Judge for the District of Massachusetts

Dear Majority Leader Schumer, Chairman Durbin, Minority Leader, McConnell and Ranking Member Grassley:

Honorable Myong J. Joun is a man of great character and integrity and I fully support his nomination for United States District Judgeship. He helped me tremendously just over ten years ago as an attorney to successfully manage Occupy Boston protests in some very challenging times. His advice and presence successfully brought about the most successful conclusion of any occupy movement in this country.

Judge Joun has been an effective Judge presiding over the Brighton District Court of Boston for the last seven years. He is compassionate and cares very much about the community and the well-being of both victims of crime and those on trial before him. He is a true gentleman and scholar who I highly recommend to the Federal Court.

Respectfully submitted,
