Re: Tamika Montgomery-Reeves

Dear Majority Leader Schumer, Minority Leader McConnell, Chair Durbin, and Ranking Member Grassley:

We are writing to express our enthusiastic support for Justice Tamika Montgomery-Reeves, who has been nominated to serve on the United States Court of Appeals for the Third Circuit. We each worked with Justice Montgomery-Reeves while she was an associate and then partner at the law firm of Wilson Sonsini Goodrich & Rosati, P.C. We come from different political parties, areas of practice, and geographies. Some of us now work for different law firms, and we each write in our own individual capacities. Across these different backgrounds, we are united in the same strong belief, which we respectfully submit: that Justice Montgomery-Reeves is an extraordinary candidate for the Third Circuit and deserves confirmation.

In her time at the firm, Justice Montgomery-Reeves worked on an array of different types of matters involving litigations, investigations, and providing counseling and advice to clients and colleagues at the firm. Justice Montgomery-Reeves' practice was, by its nature, complex, sophisticated, and expertise-based. Justice Montgomery-Reeves is brilliant, disciplined, and focused and has impeccable judgment, which allowed her to pursue her practice with great success. At the same time, Justice Montgomery-Reeves always treated everyone—her colleagues, her clients, junior lawyers, senior lawyers, and opposing counsel—with respect, courtesy, and decency.

Justice Montgomery-Reeves also played a critical role in opening and building the firm's Delaware office starting in 2011. Justice Montgomery-Reeves helped quickly grow the office through her judgment, drive, dedication, and ability to work well with everyone. Her leadership, kindness, and compassion immediately attracted other talented lawyers and team members.

Since Justice Montgomery-Reeves joined the Delaware Court of Chancery and ultimately the Delaware Supreme Court, we have all continued to follow her work as a judge, whether by reading her opinions, witnessing her in court, or interacting with her in other professional activities. Justice Montgomery-Reeves has brought all of the qualities we observed to the bench. She is well-regarded

for her opinions, which are smart, measured, focused on the issue before the court, and well-reasoned. Justice Montgomery-Reeves has presence and command, but she always treats those who appear before her with respect and decency. She understands, deeply and with humility, the impact and responsibility that judges have. These qualities, along with the historic nature of her nominations, have made Justice Montgomery-Reeves a role model in the Delaware courts and in the bar.

For all of these reasons, we support Justice Montgomery-Reeves wholeheartedly and without reservation. We thank you for your attention and consideration.

Respectfully,
