Dear Chairman Grassley and Senator Feinstein:

As the Senate Judiciary Committee meets to consider the nomination of Rod J. Rosenstein for Deputy Attorney General at the U.S. Department of Justice, I am writing in support of his nomination. During his tenure as United States Attorney for Maryland, I had the opportunity to work with him when I served as Director of the U.S. Marshals Service from 2006-2009.

As you know, NCMEC is a private, non-profit organization that for over 32 years has been designated by Congress to serve as the national clearinghouse on issues related to missing and exploited children. NCMEC provides services to families, victims, private industry, law enforcement, and the general public to assist in the prevention of child abductions, the recovery of missing children, and the provision of services to combat child sexual exploitation.

NCMEC works in partnership with the Department of Justice on issues related to missing and exploited children. In order to fulfill our mission to serve some of our nation's most vulnerable children, it is imperative that the Department have strong leaders, like Rod Rosenstein, in place. He will be a tremendous asset to our nation at the Department.

Thank you for considering this letter as you begin the confirmation process and for your ongoing commitment to the safety of our nation's children and families. We look forward to working with you in the 115<sup>th</sup> Congress.

Sincerely,

  
John F. Clark  
President and CEO
