*Re: Nomination of Amy Coney Barrett to the Supreme Court of the United States*

Dear Chairman Graham and Ranking Member Feinstein:

By way of introduction, the American Center for Law & Justice (ACLJ) is an organization dedicated to the defense of constitutional liberties as secured by law. ACLJ attorneys have argued before the Supreme Court of the United States and other federal and state courts in a number of significant cases involving the freedoms of speech and religion. The ACLJ and its international affiliates are committed to defending human rights and religious liberty around the world.

We write today to share our petition in favor of confirming Judge Amy Coney Barrett as an Associate Justice of the Supreme Court of the United States. More than 152,000 of our members have signed this petition, and expressed their belief that Judge Barrett is exceptionally well-qualified to serve on the high Court.

A thorough review of Judge Barrett's record leads to the unmistakable conclusion that she is unwavering in her commitment to the Constitution and eminently qualified to serve on the nation's highest Court. Given this impressive record, and given that Judge Barrett has been recently confirmed by a bipartisan Senate majority, she should be confirmed and sworn in as an Associate Justice of the Supreme Court of the United States without delay. This conclusion is corroborated by the almost 100 cases she participated in since joining the Seventh Circuit Court

of Appeals. It is unquestionably clear that she remains a principled jurist who believes in the text of the Constitution. She has demonstrated beyond question that she is unafraid of going where the law directs her as opposed to being driven by her personal preferences.

We look forward to hearing Judge Barrett's testimony next week, and are confident your committee will be impressed by her record, intellect, and judicial temperament. We respectfully request the swift confirmation of Judge Barrett.

Sincerely,
