

OREGON COALITION OF POLICE & SHERIFFS

Advocating for Oregon's Law Enforcement Officers

September 7, 2021

United States Senate Committee on the Judiciary
224 Dirksen Senate Office Building
Washington, DC 20510

Dear Chairman Durbin, Ranking Member Grassley, and Committee Members:

The Oregon Coalition of Police & Sheriffs (ORCOPS) is a non-partisan organization that advocates on behalf of police officers, deputy sheriffs and their labor organizations in Oregon law enforcement agencies. ORCOPS serves as a source of leadership within the law enforcement community and aims to build trust between law enforcement officers and the communities we serve.

ORCOPS heartily supports the nomination of Jennifer Sung to the United States Court of Appeals for the Ninth Circuit.

Ms. Sung's legal background representing individuals and labor organizations in employment claims will bring to the Ninth Circuit a fresh perspective. As an accomplished advocate for organized labor and a second-generation Chinese American, Ms. Sung will bring her unique perspective to the federal bench, one that will both protect and advance the rights of workers.

Ms. Sung has also served with distinction on Oregon's Employment Relations Board. In that capacity, she has earned the reputation of a thoughtful, neutral decision-maker. The opinions she authors are a model of clarity, and the professionalism she shows when hearing oral arguments has been greatly appreciated.

We urge your support for the nomination of Jennifer Sung.

Sincerely,

s/ Scott Dillon
