Via Electronic Transmission

The Honorable Michele Leonhart
Administrator
Drug Enforcement Administration
700 Army Navy Drive, Room 12060
Arlington, VA 22202

Dear Administrator Leonhart,

I write today to follow up on my August 27, 2014 letter concerning the Drug Enforcement Administration's (DEA's) mistreatment of Daniel Chong, a University of California-San Diego college student, in April 2012. I am attaching a copy of that letter.

It is simply unacceptable that three years after I began asking questions about this matter, and almost a year after the Department of Justice's Office of Inspector General completed its investigation, these questions remain unanswered.

I request that you promptly answer these questions and explain your delay in doing so in writing.

Sincerely,

Charles E. Grassley
Chairman
