Dear Chairman Graham and Ranking Member Feinstein:

I write to supplement my response to Question 12.a. of my Senate Judiciary Questionnaire. As you know, I previously provided over 400 pages of my writings, including many articles that I had written as a college student. I believed that I had provided all of the requested publications, but I have since learned that there are additional pieces that I had written during college. Those publications are enclosed. I apologize for any inconvenience that this may have caused.

I thank this Committee for its consideration.

Yours truly,

Kenneth Kiyul Lee
