Dear Chairman Grassley and Ranking Member Feinstein,

On behalf of the National Association of Police Organizations (NAPO), I am writing to advise of you of our support of the nomination of Christopher Wray to be Director of the Federal Bureau of Investigation (FBI).

NAPO is a coalition of police units and associations from across the United States that serves to advance the interests of America's law enforcement officers. Founded in 1978, NAPO now represents more than 1,000 police units and associations, 241,000 sworn law enforcement officers, and more than 100,000 citizens who share a common dedication to fair and effective crime control and law enforcement.

Mr. Wray has an extensive career involving criminal litigation and investigations, including significant experiences at the Department of Justice (DOJ) as Principal Associate Deputy Attorney General and Assistant Attorney General for the Criminal Division. He also served several years as a United States Attorney for Northern District of Georgia.

Mr. Wray is known for being an exceptional lawyer and is considered a leading litigator in government investigation and white-collar crime by *Chambers USA*, *Best Lawyers in America*, *Who's Who* and *Legal 500*. Most importantly, he has the endorsement of the rank-and-file agents who he would be leading as FBI Director.

NAPO believes Mr. Wray has the experience and expertise necessary to serve our nation well as FBI Director. Therefore, we urge the Committee to support the nomination of Christopher Wray. Please feel free to contact me at (703) 549-0775 if there is anything I or our organization can do in further support of Mr. Wray for this position.

Sincerely,

William J. Johnson, Esq.
Executive Director
