Dear Sirs and Madams:

I write in full support of Rod J. Rosenstein's nomination for Deputy Attorney General.

I have known Rod for the past twelve years in my capacity as a Member of Congress from Maryland's Second Congressional District and Governor of Maryland. He inherited a difficult situation in 2005 and has not looked back since.

Rod is simply an outstanding attorney – and leader. He has demonstrated excellent management skills in a challenging office. His integrity is unquestioned.

I can think of no better person to help lead President Trump's Justice Department.

Please feel free to contact me should you require additional information concerning Rod (202-650-4717 / rehrlich@kslaw.com).

Your consideration in this matter is sincerely appreciated.

Very truly yours,
