(1) in subsection (a)—

(A) by inserting “IN GENERAL” after “AVAILABILITY AND SCOPE OF COMPULSORY LICENSE”;

(B) by striking paragraph (1) and inserting the following new paragraph:

“(1) ELIGIBILITY FOR COMPULSORY LICENSE.—

“(A) CONDITIONS FOR COMPULSORY LICENSE.—A person may by complying with the provisions of this section obtain a compulsory license to make and distribute phonorecords of a
nondramatic musical work, including by means of digital phonorecord delivery. A person may obtain a compulsory license only if the primary purpose in making phonorecords of the musical work is to distribute them to the public for private use, including by means of digital phonorecord delivery, and—

“(i) phonorecords of such musical work have previously been distributed to the public in the United States under the authority of the copyright owner of the work, including by means of digital phonorecord delivery; or

“(ii) in the case of a digital music provider seeking to make and distribute digital phonorecord deliveries of a sound recording embodying a musical work under a compulsory license for which clause (i) does not apply—

“(I) the first fixation of such sound recording was made under the authority of the musical work copyright owner, and the sound recording copyright owner has the authority of the musical work copyright owner to
make and distribute digital phonorecord deliveries embodying such work to the public in the United States; and

“(II) the sound recording copyright owner or its authorized distributor has authorized the digital music provider to make and distribute digital phonorecord deliveries of the sound recording to the public in the United States.

“(B) Duplication of Sound Recording.—A person may not obtain a compulsory license for the use of the work in the making of phonorecords duplicating a sound recording fixed by another, including by means of digital phonorecord delivery, unless—

“(i) such sound recording was fixed lawfully; and

“(ii) the making of the phonorecords was authorized by the owner of the copyright in the sound recording or, if the sound recording was fixed before February 15, 1972, by any person who fixed the sound recording pursuant to an express li-
cense from the owner of the copyright in
the musical work or pursuant to a valid
compulsory license for use of such work in
a sound recording.”; and
(C) in paragraph (2), by striking “A com-
pulsory license” and inserting “MUSICAL AR-
RANGEMENT.—A compulsory license”;
(2) by striking subsection (b) and inserting the
following:
“(b) PROCEDURES TO OBTAIN A COMPULSORY LI-
CENSE.—
“(1) PHONORECORDS OTHER THAN DIGITAL
PHONORECORD DELIVERIES.—A person who seeks to
obtain a compulsory license under subsection (a) to
make and distribute phonorecords of a musical work
other than by means of digital phonorecord delivery
shall, before or within 30 calendar days after mak-
ing, and before distributing, any phonorecord of the
work, serve notice of intention to do so on the copy-
right owner. If the registration or other public
records of the Copyright Office do not identify the
copyright owner and include an address at which no-
tice can be served, it shall be sufficient to file the
notice of intention with the Copyright Office. The
notice shall comply, in form, content, and manner of
service, with requirements that the Register of Copyrights shall prescribe by regulation.

“(2) DIGITAL PHONORECORD DELIVERIES.—A person who seeks to obtain a compulsory license under subsection (a) to make and distribute phonorecords of a musical work by means of digital phonorecord delivery—

“(A) prior to the license availability date, shall, before or within 30 calendar days after first making any such digital phonorecord delivery, serve a notice of intention to do so on the copyright owner (but may not file the notice with the Copyright Office, even if the public records of the Office do not identify the owner or the owner’s address), and such notice shall comply, in form, content, and manner of service, with requirements that the Register of Copyrights shall prescribe by regulation; or

“(B) on or after the license availability date, shall, before making any such digital phonorecord delivery, follow the procedure described in subsection (d)(2), except as provided in paragraph (3).

“(3) RECORD COMPANY INDIVIDUAL DOWNLOAD LICENSES.—Notwithstanding paragraph (2)(B), a
record company may, on or after the license availability date, obtain an individual download license in accordance with the notice requirements described in paragraph (2)(A) (except for the requirement that notice occur prior to the license availability date). A record company that obtains an individual download license as permitted under this paragraph shall provide statements of account and pay royalties as provided in subsection (c)(2)(I).

“(4) FAILURE TO OBTAIN LICENSE.—

“(A) PHONORECORDS OTHER THAN DIGITAL PHONORECORD DELIVERIES.—In the case of phonorecords made and distributed other than by means of digital phonorecord delivery, the failure to serve or file the notice of intention required by paragraph (1) forecloses the possibility of a compulsory license under paragraph (1). In the absence of a voluntary license, the failure to obtain a compulsory license renders the making and distribution of phonorecords actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.

“(B) DIGITAL PHONORECORD DELIVERIES.—
“(i) In the case of phonorecords made and distributed by means of digital phonorecord delivery:

“(I) The failure to serve the notice of intention required by paragraph (2)(A) or paragraph (3), as applicable, forecloses the possibility of a compulsory license under such paragraph.

“(II) The failure to comply with paragraph (2)(B) forecloses the possibility of a blanket license for a period of 3 years after the last calendar day on which the notice of license was required to be submitted to the mechanical licensing collective under such paragraph.

“(ii) In either case described in clause (i), in the absence of a voluntary license, the failure to obtain a compulsory license renders the making and distribution of phonorecords by means of digital phonorecord delivery actionable as acts of infringement under section 501 and subject
to the remedies provided by sections 502 through 506.”;

(3) by amending subsection (c) to read as follows:

“(c) **General Conditions Applicable to Compulsory License.**—

“(1) **Royalty payable under compulsory license.**—

“(A) **Identification requirement.**—To be entitled to receive royalties under a compulsory license obtained under subsection (b)(1) the copyright owner must be identified in the registration or other public records of the Copyright Office. The owner is entitled to royalties for phonorecords made and distributed after being so identified, but is not entitled to recover for any phonorecords previously made and distributed.

“(B) **Royalty for phonorecords other than digital phonorecord deliveries.**—Except as provided by subparagraph (A), for every phonorecord made and distributed under a compulsory license under subsection (a) other than by means of digital phonorecord delivery, with respect to each work
embodied in the phonorecord, the royalty shall be the royalty prescribed under subparagraphs (D) through (F) and paragraph (2)(A) and chapter 8 of this title. For purposes of this sub-

paragraph, a phonorecord is considered ‘distributed’ if the person exercising the compulsory li-

cense has voluntarily and permanently parted with its possession.

“(C) Royalty for Digital Phonorecord Deliveries.—For every digital phonorecord delivery of a musical work made under a compulsory license under this section, the royalty payable shall be the royalty prescribed under subparagraphs (D) through (F) and paragraph (2)(A) and chapter 8 of this title.

“(D) Authority to Negotiate.—Notwithstanding any provision of the antitrust laws, any copyright owners of nondramatic mu-
sical works and any persons entitled to obtain a compulsory license under subsection (a) may negotiate and agree upon the terms and rates of royalty payments under this section and the proportionate division of fees paid among copy-

right owners, and may designate common agents on a nonexclusive basis to negotiate,
agree to, pay or receive such royalty payments.

Such authority to negotiate the terms and rates
of royalty payments includes, but is not limited
to, the authority to negotiate the year during
which the royalty rates prescribed under this
subparagraph and subparagraphs (E) and (F)
and paragraph (2)(A) and chapter 8 of this
title shall next be determined.

“(E) DETERMINATION OF REASONABLE
RATES AND TERMS.—Proceedings under chap-
ter 8 shall determine reasonable rates and
terms of royalty payments for the activities
specified by this section during the period be-
ning with the effective date of such rates
and terms, but not earlier than January 1 of
the second year following the year in which the
petition requesting the proceeding is filed, and
ending on the effective date of successor rates
and terms, or such other period as the parties
may agree. Any copyright owners of nondra-
matic musical works and any persons entitled
to obtain a compulsory license under subsection
(a) may submit to the Copyright Royalty
Judges licenses covering such activities. The
parties to each proceeding shall bear their own costs.

“(F) SCHEDULE OF REASONABLE RATES.—The schedule of reasonable rates and terms determined by the Copyright Royalty Judges shall, subject to paragraph (2)(A), be binding on all copyright owners of nondramatic musical works and persons entitled to obtain a compulsory license under subsection (a) during the period specified in subparagraph (E), such other period as may be determined pursuant to subparagraphs (D) and (E), or such other period as the parties may agree. The Copyright Royalty Judges shall establish rates and terms that most clearly represent the rates and terms that would have been negotiated in the marketplace between a willing buyer and a willing seller. In determining such rates and terms for digital phonorecord deliveries, the Copyright Royalty Judges shall base their decision on economic, competitive, and programming information presented by the parties, including—

“(i) whether use of the compulsory licensee’s service may substitute for or may promote the sales of phonorecords or oth-
erwise may interfere with or may enhance the musical work copyright owner’s other streams of revenue from its musical works; and

“(ii) the relative roles of the copyright owner and the compulsory licensee in the copyrighted work and the service made available to the public with respect to the relative creative contribution, technological contribution, capital investment, cost, and risk.

“(2) ADDITIONAL TERMS AND CONDITIONS.—

“(A) VOLUNTARY LICENSES AND CONTRACTUAL ROYALTY RATES.—

“(i) License agreements voluntarily negotiated at any time between one or more copyright owners of nondramatic musical works and one or more persons entitled to obtain a compulsory license under subsection (a) shall be given effect in lieu of any determination by the Copyright Royalty Judges. Subject to clause (ii), the royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) shall be given effect as to digital phono-
record deliveries in lieu of any contrary royalty rates specified in a contract pursuant to which a recording artist who is the author of a nondramatic musical work grants a license under that person’s exclusive rights in the musical work under paragraphs (1) and (3) of section 106 or commits another person to grant a license in that musical work under paragraphs (1) and (3) of section 106, to a person desiring to fix in a tangible medium of expression a sound recording embodying the musical work.

“(ii) The second sentence of clause (i) shall not apply to—

“(I) a contract entered into on or before June 22, 1995, and not modified thereafter for the purpose of reducing the royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) or of increasing the number of musical works within the scope of the contract covered by the reduced rates, except if a contract entered into on or before June 22,
15

1995, is modified thereafter for the purpose of increasing the number of musical works within the scope of the contract, any contrary royalty rates specified in the contract shall be given effect in lieu of royalty rates determined pursuant to subparagraphs (E) and (F) of paragraph (1) for the number of musical works within the scope of the contract as of June 22, 1995; and

“(II) a contract entered into after the date that the sound recording is fixed in a tangible medium of expression substantially in a form intended for commercial release, if at the time the contract is entered into, the recording artist retains the right to grant licenses as to the musical work under paragraphs (1) and (3) of section 106.

“(B) Sound recording information.—Except as provided in section 1002(e) of this title, a digital phonorecord delivery licensed under this paragraph shall be accompanied by
the information encoded in the sound recording, if any, by or under the authority of the copyright owner of that sound recording, that identifies the title of the sound recording, the featured recording artist who performs on the sound recording, and related information, including information concerning the underlying musical work and its writer.

“(C) INFRINGEMENT REMEDIES.—

“(i) A digital phonorecord delivery of a sound recording is actionable as an act of infringement under section 501, and is fully subject to the remedies provided by sections 502 through 506, unless—

“(I) the digital phonorecord delivery has been authorized by the sound recording copyright owner; and

“(II) the entity making the digital phonorecord delivery has obtained a compulsory license under subsection (a) or has otherwise been authorized by the musical work copyright owner, or by a record company pursuant to an individual download license, to make and distribute phonorecords of
each musical work embodied in the sound recording by means of digital phonorecord delivery.

“(ii) Any cause of action under this subparagraph shall be in addition to those available to the owner of the copyright in the nondramatic musical work under subparagraph (J) and section 106(4) and the owner of the copyright in the sound recording under section 106(6).

“(D) LIABILITY OF SOUND RECORDING OWNERS.—The liability of the copyright owner of a sound recording for infringement of the copyright in a nondramatic musical work embodied in the sound recording shall be determined in accordance with applicable law, except that the owner of a copyright in a sound recording shall not be liable for a digital phonorecord delivery by a third party if the owner of the copyright in the sound recording does not license the distribution of a phonorecord of the nondramatic musical work.

“(E) RECORDING DEVICES AND MEDIA.—Nothing in section 1008 shall be construed to prevent the exercise of the rights and remedies
allowed by this paragraph, subparagraph (J), and chapter 5 in the event of a digital phonorecord delivery, except that no action alleging infringement of copyright may be brought under this title against a manufacturer, importer or distributor of a digital audio recording device, a digital audio recording medium, an analog recording device, or an analog recording medium, or against a consumer, based on the actions described in such section.

“(F) PRESERVATION OF RIGHTS.—Nothing in this section annuls or limits (i) the exclusive right to publicly perform a sound recording or the musical work embodied therein, including by means of a digital transmission, under sections 106(4) and 106(6), (ii) except for compulsory licensing under the conditions specified by this section, the exclusive rights to reproduce and distribute the sound recording and the musical work embodied therein under sections 106(1) and 106(3), including by means of a digital phonorecord delivery, or (iii) any other rights under any other provision of section 106, or remedies available under this title, as such rights or remedies exist either before or after

“(G) Exempt Transmissions and Retransmissions.—The provisions of this section concerning digital phonorecord deliveries shall not apply to any exempt transmissions or retransmissions under section 114(d)(1). The exemptions created in section 114(d)(1) do not expand or reduce the rights of copyright owners under section 106(1) through (5) with respect to such transmissions and retransmissions.

“(H) Distribution by Rental, Lease, or Lending.—A compulsory license obtained under subsection (b)(1) to make and distribute phonorecords includes the right of the maker of such a phonorecord to distribute or authorize distribution of such phonorecord, other than by means of a digital phonorecord delivery, by rental, lease, or lending (or by acts or practices in the nature of rental, lease, or lending). With respect to each nondramatic musical work embodied in the phonorecord, the royalty shall be a proportion of the revenue received by the compulsory licensee from every such act of distribution of the phonorecord under this clause.
equal to the proportion of the revenue received by the compulsory licensee from distribution of the phonorecord under subsection (a)(1)(A)(ii)(II) that is payable by a compulsory licensee under that clause and under chapter 8. The Register of Copyrights shall issue regulations to carry out the purpose of this clause.

“(I) PAYMENT OF ROYALTIES AND STATEMENTS OF ACCOUNT.—Except as provided in paragraphs (4)(A)(i) and (10)(B) of subsection (d), royalty payments shall be made on or before the twentieth day of each month and shall include all royalties for the month next preceding. Each monthly payment shall be made under oath and shall comply with requirements that the Register of Copyrights shall prescribe by regulation. The Register shall also prescribe regulations under which detailed cumulative annual statements of account, certified by a certified public accountant, shall be filed for every compulsory license under subsection (a). The regulations covering both the monthly and the annual statements of account shall prescribe the form, content, and manner of certification
with respect to the number of records made and
the number of records distributed.

“(J) NOTICE OF DEFAULT AND TERMINATION OF COMPULSORY LICENSE.—In the
case of a license obtained under subsection
(b)(1), (b)(2)(A), or (b)(3), if the copyright
owner does not receive the monthly payment
and the monthly and annual statements of ac-
count when due, the owner may give written no-
tice to the licensee that, unless the default is
remedied within 30 days from the date of the
notice, the compulsory license will be automati-
cally terminated. Such termination renders ei-
ther the making or the distribution, or both, of
all phonorecords for which the royalty has not
been paid, actionable as acts of infringement
under section 501 and fully subject to the rem-
edies provided by sections 502 through 506. In
the case of a license obtained under subsection
(b)(2)(B), license authority under the compul-
sory license may be terminated as provided in
subsection (d)(4)(E).”;

(4) by amending subsection (d) to read as fol-
 lows:
“(d) Blanket License for Digital Uses, Mechanical Licensing Collective, and Digital Licensee Coordinator.—

“(1) Blanket license for digital uses.—

“(A) In general.—A digital music provider that qualifies for a compulsory license under subsection (a) may, by complying with the terms and conditions of this subsection, obtain a blanket license from copyright owners through the mechanical licensing collective to make and distribute digital phonorecord deliveries of musical works through one or more covered activities.

“(B) Included activities.—A blanket license—

“(i) covers all musical works (or shares of such works) available for compulsory licensing under this section for purposes of engaging in covered activities, except as provided in subparagraph (C);

“(ii) includes the making and distribution of server, intermediate, archival, and incidental reproductions of musical works that are reasonable and necessary for the digital music provider to engage in
covered activities licensed under this subsection, solely for the purpose of engaging in such covered activities; and

“(iii) does not cover or include any rights or uses other than those described in clauses (i) and (ii).

“(C) OTHER LICENSES.—A voluntary license for covered activities entered into by or under the authority of one or more copyright owners and one or more digital music providers, or authority to make and distribute permanent downloads of a musical work obtained by a digital music provider from a sound recording copyright owner pursuant to an individual download license, shall be given effect in lieu of a blanket license under this subsection with respect to the musical works (or shares thereof) covered by such voluntary license or individual download authority and the following conditions apply:

“(i) Where a voluntary license or individual download license applies, the license authority provided under the blanket license shall exclude any musical works (or
shares thereof) subject to the voluntary li-
cense or individual download license.

“(ii) An entity engaged in covered ac-
tivities under a voluntary license or author-
ity obtained pursuant to an individual
download license that is a significant non-
blanket licensee shall comply with para-
graph (6)(A).

“(iii) The rates and terms of any vol-
untary license shall be subject to the sec-
ond sentence of clause (i) and clause (ii) of
subsection (c)(2)(A) and paragraph (9)(C),
as applicable.

“(D) PROTECTION AGAINST INFRINGE-
MENT ACTIONS.—A digital music provider that
obtains and complies with the terms of a valid
blanket license under this subsection shall not
be subject to an action for infringement of the
exclusive rights provided by paragraphs (1) and
(3) of section 106 under this title arising from
use of a musical work (or share thereof) to en-
gage in covered activities authorized by such li-

cense, subject to paragraph (4)(E).

“(E) OTHER REQUIREMENTS AND CONDI-
tIONS APPLY.—Except as expressly provided in
this subsection, each requirement, limitation,
condition, privilege, right, and remedy otherwise
applicable to compulsory licenses under this sec-
tion shall apply to compulsory blanket licenses
under this subsection.

“(2) AVAILABILITY OF BLANKET LICENSE.—

“(A) PROCEDURE FOR OBTAINING LI-
CENSE.—A digital music provider may obtain a
blanket license by submitting a notice of license
to the mechanical licensing collective that speci-
fies the particular covered activities in which
the digital music provider seeks to engage, as
follows:

“(i) The notice of license shall comply
in form and substance with requirements
that the Register of Copyrights shall estab-
lish by regulation.

“(ii) Unless rejected in writing by the
mechanical licensing collective within 30
calendar days after receipt, the blanket li-
cense shall be effective as of the date the
notice of license was sent by the digital
music provider as shown by a physical or
electronic record.
“(iii) A notice of license may only be rejected by the mechanical licensing collective if—

“(I) the digital music provider or notice of license does not meet the requirements of this section or applicable regulations, in which case the requirements at issue shall be specified with reasonable particularity in the notice of rejection; or

“(II) the digital music provider has had a blanket license terminated by the mechanical licensing collective within the past 3 years pursuant to paragraph (4)(E).

“(iv) If a notice of license is rejected under clause (iii)(I), the digital music provider shall have 30 calendar days after receipt of the notice of rejection to cure any deficiency and submit an amended notice of license to the mechanical licensing collective. If the deficiency has been cured, the mechanical licensing collective shall so confirm in writing, and the license shall be effective as of the date that the original
notice of license was provided by the digital music provider.

“(v) A digital music provider that believes a notice of license was improperly rejected by the mechanical licensing collective may seek review of such rejection in Federal district court. The district court shall determine the matter de novo based on the record before the mechanical licensing collective and any additional evidence presented by the parties.

“(B) Blanket license effective date.—Blanket licenses shall be made available by the mechanical licensing collective on and after the license availability date. No such license shall be effective prior to the license availability date.

“(3) Mechanical licensing collective.—

“(A) In general.—The mechanical licensing collective shall be a single entity that—

“(i) is a nonprofit, not owned by any other entity, that is created by copyright owners to carry out responsibilities under this subsection;
(ii) is endorsed by, and enjoys substantial support from, musical work copyright owners that together represent the greatest percentage of the licensor market for uses of such works in covered activities, as measured over the preceding 3 full calendar years;

“(iii) is able to demonstrate to the Register of Copyrights that it has, or will have prior to the license availability date, the administrative and technological capabilities to perform the required functions of the mechanical licensing collective under this subsection and that is governed by a board of directors in accordance with subparagraph (D)(i); and

“(iv) has been designated by the Register of Copyrights, with the approval of the Librarian of Congress pursuant to section 702, in accordance with subparagraph (B).

“(B) DESIGNATION OF MECHANICAL LICENSING COLLECTIVE.—

“(i) INITIAL DESIGNATION.—The Register of Copyrights shall initially des-
ignite the mechanical licensing collective within 9 months after the enactment date as follows:

“(I) Within 90 calendar days after the enactment date, the Register shall publish notice in the Federal Register soliciting information to assist in identifying the appropriate entity to serve as the mechanical licensing collective, including the name and affiliation of each member of the board of directors described under subparagraph (D)(i) and each committee established pursuant to clauses (iii), (iv), and (v) of subparagraph (D).

“(II) After reviewing the information requested under subclause (I) and making a designation, the Register shall publish notice in the Federal Register setting forth—

“(aa) the identity of and contact information for the mechanical licensing collective; and
“(bb) the reasons for the designation.

“(ii) Periodic review of designation.—Following the initial designation of the mechanical licensing collective, the Register shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, publish notice in the Federal Register in the month of January soliciting information concerning whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph (A) shall be designated. Following publication of such notice:

“(I) The Register shall, after reviewing the information submitted and conducting additional proceedings as appropriate, publish notice in the Federal Register of a continuing designation or new designation of the mechanical licensing collective, as the case may be, and the reasons for such a designation, with any new designa-
tion to be effective as of the first day of a month that is no less than 6 months and no longer than 9 months after the date of publication of such notice, as specified by the Register.

“(II) If a new entity is designated as a mechanical licensing collective, the Register shall adopt regulations to govern the transfer of licenses, funds, records, data, and administrative responsibilities from the existing mechanical licensing collective to the new entity.

“(iii) Closest alternative designation.—If the Register is unable to identify an entity that fulfills each of the qualifications set forth in clauses (i) through (iii) of subparagraph (A), the Register shall designate the entity that most nearly fulfills such qualifications for purposes of carrying out the responsibilities of the mechanical licensing collective.

“(C) Authorities and functions.—

“(i) In general.—The mechanical licensing collective is authorized to perform
the following functions, subject to more particular requirements as described in this subsection:

“(I) Offer and administer blanket licenses, including receipt of notices of license and reports of usage from digital music providers.

“(II) Collect and distribute royalties from digital music providers for covered activities.

“(III) Engage in efforts to identify musical works (and shares of such works) embodied in particular sound recordings, and to identify and locate the copyright owners of such musical works (and shares of such works).

“(IV) Maintain the musical works database and other information relevant to the administration of licensing activities under this section.

“(V) Administer a process by which copyright owners can claim ownership of musical works (and shares of such works), and a process by which royalties for works for which
the owner is not identified or located
are equitably distributed to known
copyright owners.

“(VI) Administer collections of
the administrative assessment from
digital music providers and significant
nonblanket licensees, including receipt
of notices of nonblanket activity.

“(VII) Invest in relevant re-
resources, and arrange for services of
outside vendors and others, to support
its activities.

“(VIII) Engage in legal and
other efforts to enforce rights and ob-
ligations under this subsection, includ-
ing by filing bankruptcy proofs of
claims for amounts owed under li-
censes, and acting in coordination
with the digital licensee coordinator.

“(IX) Initiate and participate in
proceedings before the Copyright Roy-
alty Judges to establish the adminis-
trative assessment under this sub-
section.
“(X) Initiate and participate in proceedings before the Copyright Office with respect to activities under this subsection.

“(XI) Gather and provide documentation for use in proceedings before the Copyright Royalty Judges to set rates and terms under this section.

“(XII) Maintain records of its activities and engage in and respond to audits described under this subsection.

“(XIII) Engage in such other activities as may be necessary or appropriate to fulfill its responsibilities under this subsection.

“(ii) ADDITIONAL ADMINISTRATIVE ACTIVITIES.—Subject to paragraph (11)(C) and clause (iii), the mechanical licensing collective may also administer, or assist in administering, voluntary licenses issued by or individual download licenses obtained from copyright owners for uses of musical works, for which the mechanical li-
encing collective shall charge reasonable fees for such services.

“(iii) Restriction concerning public performance rights.—The mechanical licensing collective may, pursuant to clause (ii), provide administration services with respect to voluntary licenses that include the right of public performance in musical works, but may not itself negotiate or grant licenses for the right of public performance in musical works, and may not be the exclusive or nonexclusive assignee or grantee of the right of public performance in musical works.

“(iv) Restriction on lobbying.—The mechanical licensing collective may not engage in government lobbying activities, but may engage in the activities described in subclauses (IX), (X), and (XI) of clause (i).

“(D) Governance.—

“(i) Board of directors.—The mechanical licensing collective shall have a board of directors consisting of 14 voting
members and 3 nonvoting members, as follows:

“(I) Ten voting members shall be representatives of music publishers to which songwriters have assigned exclusive rights of reproduction and distribution of musical works with respect to covered activities and no such music publisher member may be owned by, or under common control with, any other board member.

“(II) Four voting members shall be professional songwriters who have retained and exercise exclusive rights of reproduction and distribution with respect to covered activities with respect to musical works they have authored.

“(III) One nonvoting member shall be a representative of the nonprofit trade association of music publishers that represents the greatest percentage of the licensor market for uses of musical works in covered ac-
tivities, as measured over the preceding 3 full calendar years.

“(IV) One nonvoting member shall be a representative of the digital licensee coordinator, provided that a digital licensee coordinator has been designated pursuant to paragraph (5)(B). Otherwise, the nonvoting member shall be the nonprofit trade association of digital licensees that represents the greatest percentage of the licensee market for uses of musical works in covered activities, as measured over the preceding 3 full calendar years.

“(V) One nonvoting member shall be a representative of a nationally recognized nonprofit trade association whose primary mission is advocacy on behalf of songwriters in the United States.

“(ii) BYLAWS.—

“(I) ESTABLISHMENT.—Not later than 1 year after the date on which the mechanical licensing collec-
tive is initially designated by the Register of Copyrights under subpara-
graph (B)(i), the collective shall establish bylaws to determine issues relat-
ing to the governance of the collective, including, but not limited to—

“(aa) the length of the term for each member of the board of directors;

“(bb) the staggering of the terms of the members of the board of directors;

“(cc) a process for filling a seat on the board of directors that is vacated before the end of the term with respect to that seat;

“(dd) a process for electing a member to the board of directors; and

“(ee) a management structure for daily operation of the collective.

“(II) Public Availability.—

The mechanical licensing collective
shall make the bylaws established under subclause (I) available to the public.

“(iii) Board meetings.—The board of directors shall meet no less than two times per year and discuss matters pertinent to the operations, including the mechanical licensing collective budget.

“(iv) Operations advisory committee.—The board of directors of the mechanical licensing collective shall establish an operations advisory committee consisting of no fewer than six members to make recommendations to the board of directors concerning the operations of the mechanical licensing collective, including the efficient investment in and deployment of information technology and data resources. Such committee shall have an equal number of members of the committee who are—

“(I) musical work copyright owners who are appointed by the board of directors of the mechanical licensing collective; and
“(II) representatives of digital music providers who are appointed by the digital licensee coordinator.

rata basis in proportion to the overall percentage recovery of the total royalties owed, with any pro rata share of royalties that cannot be distributed deposited in an interest-bearing account as provided in subparagraph (H)(ii).

“(H) Holding of accrued royalties.—

“(i) Holding period.—The mechanical licensing collective shall hold accrued royalties associated with particular musical works (and shares of works) that remain unmatched for a period of at least 3 years after the date on which the funds were received by the mechanical licensing collective, or at least 3 years after the date on which they were accrued by a digital music provider that subsequently transferred such funds to the mechanical licensing collective pursuant to paragraph (10)(B), whichever period expires sooner.

“(ii) Interest-bearing account.— Accrued royalties for unmatched works (and shares thereof) shall be maintained by the mechanical licensing collective in an
interest-bearing account that earns monthly interest at the Federal, short-term rate, such interest to accrue for the benefit of copyright owners entitled to payment of such accrued royalties.

“(I) Musical works claiming process.—When a copyright owner of an unmatched work (or share of a work) has been identified and located in accordance with the procedures of the mechanical licensing collective, the collective shall—

“(i) update the musical works database and its other records accordingly; and

“(ii) provided that accrued royalties for the musical work (or share thereof) have not yet been included in a distribution pursuant to subparagraph (J)(i), pay such accrued royalties and a proportionate amount of accrued interest associated with that work (or share thereof) to the copyright owner, accompanied by a cumulative statement of account reflecting usage of such work and accrued royalties based on information provided by digital music pro-
viders to the mechanical licensing collective.

“(J) DISTRIBUTION OF UNCLAIMED ACCRUED ROYALTIES.—

“(i) DISTRIBUTION PROCEDURES.—

After the expiration of the prescribed holding period for accrued royalties provided in paragraph (H)(i), the mechanical licensing collective shall distribute such accrued royalties, along with a proportionate share of accrued interest, to copyright owners identified in the records of the collective, subject to the following requirements, and in accordance with the policies and procedures established under clause (ii):

“(I) The first such distribution shall occur on or after January 1 of the second full calendar year to commence after the license availability date, with at least one such distribution to take place during each calendar year thereafter.

“(II) Copyright owners’ payment shares for unclaimed accrued royalties for particular reporting periods shall
be determined in a transparent and equitable manner based on data indicating the relative market shares of such copyright owners as reflected in reports of usage provided by digital music providers for covered activities for the periods in question, including, in addition to usage data provided to the mechanical licensing collective, usage data provided to copyright owners under voluntary licenses and individual download licenses for covered activities, to the extent such information is available to the mechanical licensing collective. In furtherance of the determination of equitable market shares under this subparagraph—

"(aa) the mechanical licensing collective may require copyright owners seeking distributions of unclaimed accrued royalties to provide, or direct the provision of, information concerning the usage of musical works under voluntary licenses and individual
download licenses for covered activities; and

“(bb) the mechanical licensing collective shall take appropriate steps to safeguard the confidentiality and security of usage, financial, and other sensitive data used to compute market shares in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

“(ii) Establishment of Distribution Policies.—The unclaimed royalties oversight committee established under paragraph (3)(D)(iv) shall establish policies and procedures for the distribution of unclaimed accrued royalties and accrued interest in accordance with this subparagraph, including the provision of usage data to copyright owners to allocate payments and credits to songwriters pursuant to clause (iv), subject to the approval of the board of directors of the mechanical licensing collective.
“(iii) Public notice of unclaimed accrued royalties.—The mechanical licensing collective shall—

“(aa) the existence of the collective and the ability to claim unclaimed accrued royalties for unmatched musical works (and shares of such works) held by the collective;

ties and accrued interest, not less

in music industry conferences and
events for the purpose of publicizing
the matters described in subclause
(II).

“(iv) SONGWRITER PAYMENTS.—
Copyright owners that receive a distribu-
tion of unclaimed accrued royalties and ac-
crued interest shall pay or credit a portion
to songwriters (or the authorized agents of
songwriters) on whose behalf the copyright
owners license or administer musical works for covered activities, in accordance with applicable contractual terms, but notwithstanding any agreement to the contrary—

“(I) such payments and credits to songwriters shall be allocated in proportion to reported usage of individual musical works by digital music providers during the reporting periods covered by the distribution from the mechanical licensing collective; and

“(II) in no case shall the payment or credit to an individual songwriter be less than 50 percent of the payment received by the copyright owner attributable to usage of musical works (or shares of works) of that songwriter.

“(K) DISPUTE RESOLUTION.—The dispute resolution committee established under paragraph (3)(D)(v) shall establish policies and procedures—

“(i) for copyright owners to address in a timely and equitable manner disputes relating to ownership interests in musical
works licensed under this section and allo-
cation and distribution of royalties by the
mechanical licensing collective, subject to
the approval of the board of directors of
the mechanical licensing collective;

“(ii) that shall include a mechanism
to hold disputed funds in accordance with
the requirements described in subpara-
graph (H)(ii) pending resolution of the dis-
pute; and

“(iii) except as provided in paragraph
(11)(D), that shall not affect any legal or
equitable rights or remedies available to
any copyright owner or songwriter con-
cerning ownership of, and entitlement to
royalties for, a musical work.

“(L) Verification of payments by me-
chanical licensing collective.—

“(i) Verification process.—A
copyright owner entitled to receive pay-
ments of royalties for covered activities
from the mechanical licensing collective
may, individually or with other copyright
owners, conduct an audit of the mechanical
licensing collective to verify the accuracy of
royalty payments by the mechanical licensing collective to such copyright owner, as follows:

“(I) A copyright owner may audit the mechanical licensing collective only once in a year for any or all of the prior 3 calendar years, and may not audit records for any calendar year more than once.

“(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the mechanical licensing collective, according to generally accepted auditing standards and subject to applicable confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

“(III) The mechanical licensing collective shall make such books, records, and data available to the qualified auditor and respond to reasonable requests for relevant informa-
tion, and shall use commercially rea-
sonable efforts to facilitate access to
relevant information maintained by
third parties.

“(IV) To commence the audit,
any copyright owner shall file with the
Copyright Office a notice of intent to
conduct an audit of the mechanical li-
censing collective, identifying the pe-
period of time to be audited, and shall
simultaneously deliver a copy of such
notice to the mechanical licensing col-
lective. The Register of Copyrights
shall cause the notice of audit to be
published in the Federal Register
within 45 calendar days after receipt.

“(V) The qualified auditor shall
determine the accuracy of royalty pay-
ments, including whether an under-
payment or overpayment of royalties
was made by the mechanical licensing
collective to each auditing copyright
owner, but before providing a final
audit report to any such copyright
owner, the qualified auditor shall pro-
vide a tentative draft of the report to
the mechanical licensing collective and
allow the mechanical licensing collec-
tive a reasonable opportunity to re-
spond to the findings, including by
clarifying issues and correcting factual
ersors.

“(VI) The auditing copyright
owner or owners shall bear the cost of
the audit. In case of an underpayment
to any copyright owner, the mechan-
ical licensing collective shall pay the
amounts of any such underpayment to
such auditing copyright owner, as ap-
propriate. In case of an overpayment
by the mechanical licensing collective,
the mechanical licensing collective
may debit the account of the auditing
copyright owner or owners for such
overpaid amounts, or such owner(s)
shall refund overpaid amounts to the
mechanical licensing collective, as ap-
propriate.

“(ii) ALTERNATIVE VERIFICATION
PROCEDURES.—Nothing in this subpara-
graph shall preclude a copyright owner and
the mechanical licensing collective from
agreeing to audit procedures different from
those described herein, but a notice of the
audit shall be provided to and published by
the Copyright Office as described in clause
(i)(IV).

“(M) RECORDS OF MECHANICAL LICENS-
ING COLLECTIVE.—

“(i) RECORDS MAINTENANCE.—The
mechanical licensing collective shall ensure
that all material records of its operations,
including those relating to notices of li-
cense, the administration of its claims
process, reports of usage, royalty pay-
ments, receipt and maintenance of accrued
royalties, royalty distribution processes,
and legal matters, are preserved and main-
tained in a secure and reliable manner,
with appropriate commercially reasonable
safeguards against unauthorized access,
copying, and disclosure, and subject to the
confidentiality requirements prescribed by
the Register of Copyrights under para-
graph (12)(C) for a period of no less than
7 years after the date of creation or receipt, whichever occurs later.

“(ii) RECORDS ACCESS.—The mechanical licensing collective shall provide prompt access to electronic and other records pertaining to the administration of a copyright owner’s musical works upon reasonable written request of such owner or the owner’s authorized representative.

“(4) TERMS AND CONDITIONS OF BLANKET LICENSE.—A blanket license is subject to, and conditioned upon, the following requirements:

“(A) Royalty reporting and payments.—

“(i) Monthly reports and payment.—A digital music provider shall report and pay royalties to the mechanical licensing collective under the blanket license on a monthly basis in accordance with clause (ii) and subsection (c)(2)(I), but the monthly reporting shall be due 45 calendar days, rather than 20 calendar days, after the end of the monthly reporting period.

“(ii) Data to be reported.—In reporting usage of musical works to the me-
chanical licensing collective, a digital music provider shall provide usage data for musical works used under the blanket license and usage data for musical works used in covered activities under voluntary licenses and individual download licenses. In the report of usage, the digital music provider shall—

“(I) with respect to each sound recording embodying a musical work—

“(aa) provide identifying information for the sound recording, including sound recording name, featured artist, and, to the extent acquired by the digital music provider in connection with its use of sound recordings of musical works to engage in covered activities, including pursuant to subparagraph (B), sound recording copyright owner, producer, international standard recording code, and other information commonly used in the indus-
try to identify sound recordings
and match them to the musical
works the sound recordings em-
body;

“(bb) to the extent acquired
by the digital music provider in
the metadata provided by sound
recording copyright owners or
other licensors of sound record-
ings in connection with the use of
sound recordings of musical
works to engage in covered activi-
ties, including pursuant to sub-
paragraph (B), provide informa-
tion concerning authorship and
ownership of the applicable rights
in the musical work embodied in
the sound recording (including
each songwriter, publisher name,
and respective ownership share)
and the international standard
musical work code; and

“(ce) provide the number of
digital phonorecord deliveries of
the sound recording, including
limited downloads and interactive
streams;

“(II) identify and provide contact
information for all musical work copy-
right owners for works embodied in
sound recordings as to which a vol-
untary license, rather than the blank-
et license, is in effect with respect to
the uses being reported; and

“(III) provide such other infor-
mation as the Register of Copyrights
shall require by regulation.

“(iii) FORMAT AND MAINTENANCE OF
REPORTS.—Reports of usage provided by
digital music providers to the mechanical
licensing collective shall be in a machine-
readable format that is compatible with the
information technology systems of the me-
chanical licensing collective and meets the
requirements of regulations adopted by the
Register of Copyrights. The Register shall
also adopt regulations setting forth re-
quirements under which records of use
shall be maintained and made available to
the mechanical licensing collective by dig-
ital music providers engaged in covered activities under a blanket license.

“(iv) ADOPTION OF REGULATIONS.—
The Register shall adopt regulations—

“(I) setting forth requirements under which records of use shall be maintained and made available to the mechanical licensing collective by digital music providers engaged in covered activities under a blanket license; and

“(II) regarding adjustments to reports of usage by digital music providers, including mechanisms to account for overpayment and underpayment of royalties in prior periods.

“(B) COLLECTION OF SOUND RECORDING INFORMATION.—A digital music provider shall engage in good-faith, commercially reasonable efforts to obtain from sound recording copyright owners and other licensors of sound recordings made available through the service of such digital music provider information concerning—
“(i) sound recording copyright owners, producers, international standard recording codes, and other information commonly used in the industry to identify sound recordings and match them to the musical works the sound recordings embody; and

“(ii) the authorship and ownership of musical works, including songwriters, publisher names, ownership shares, and international standard musical work codes.

“(C) PAYMENT OF ADMINISTRATIVE ASSESSMENT.—A digital music provider and any significant nonblanket licensee shall pay the administrative assessment established under paragraph (7)(D) in accordance with this subsection and applicable regulations.

“(D) VERIFICATION OF PAYMENTS BY DIGITAL MUSIC PROVIDERS.—

“(i) VERIFICATION PROCESS.—The mechanical licensing collective may conduct an audit of a digital music provider operating under the blanket license to verify the accuracy of royalty payments by the digital music provider to the mechanical licensing collective as follows:
“(I) The mechanical licensing collective may commence an audit of a digital music provider no more than once in any 3-calendar-year period to cover a verification period of no more than the 3 full calendar years preceding the date of commencement of the audit, and such audit may not audit records for any such 3-year verification period more than once.

“(II) The audit shall be conducted by a qualified auditor, who shall perform the audit during the ordinary course of business by examining the books, records, and data of the digital music provider, according to generally accepted auditing standards and subject to applicable confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).

“(III) The digital music provider shall make such books, records, and data available to the qualified auditor and respond to reasonable requests
for relevant information, and shall use commercially reasonable efforts to provide access to relevant information maintained with respect to a digital music provider by third parties.

“(IV) To commence the audit, the mechanical licensing collective shall file with the Copyright Office a notice of intent to conduct an audit of the digital music provider, identifying the period of time to be audited, and shall simultaneously deliver a copy of such notice to the digital music provider. The Register of Copyrights shall cause the notice of audit to be published in the Federal Register within 45 calendar days after receipt.

“(V) The qualified auditor shall determine the accuracy of royalty payments, including whether an underpayment or overpayment of royalties was made by the digital music provider to the mechanical licensing collective, but before providing a final audit report to the mechanical licens-
ing collective, the qualified auditor shall provide a tentative draft of the report to the digital music provider and allow the digital music provider a reasonable opportunity to respond to the findings, including by clarifying issues and correcting factual errors.

“(VI) The mechanical licensing collective shall pay the cost of the audit, unless the qualified auditor determines that there was an underpayment by the digital music provider of 10 percent or more, in which case the digital music provider shall bear the reasonable costs of the audit, in addition to paying the amount of any underpayment to the mechanical licensing collective. In case of an overpayment by the digital music provider, the mechanical licensing collective shall provide a credit to the account of the digital music provider.

“(VII) A digital music provider may not assert section 507 or any other Federal or State statute of limi-
tations, doctrine of laches or estoppel, or similar provision as a defense to a legal action arising from an audit under this subparagraph if such legal action is commenced no more than 6 years after the commencement of the audit that is the basis for such action.

“(ii) ALTERNATIVE VERIFICATION PROCEDURES.—Nothing in this subparagraph shall preclude the mechanical licensing collective and a digital music provider from agreeing to audit procedures different from those described herein, but a notice of the audit shall be provided to and published by the Copyright Office as described in clause (i)(IV).

“(E) DEFAULT UNDER BLANKET LICENSE.—

“(i) CONDITIONS OF DEFAULT.—A digital music provider shall be in default under a blanket license if the digital music provider—

“(I) fails to provide one or more monthly reports of usage to the mechanical licensing collective when due;
(II) fails to make a monthly royalty or late fee payment to the mechanical licensing collective when due, in all or material part;

(III) provides one or more monthly reports of usage to the mechanical licensing collective that, on the whole, is or are materially deficient as a result of inaccurate, missing, or unreadable data, where the correct data was available to the digital music provider and required to be reported under this section and applicable regulations;

(IV) fails to pay the administrative assessment as required under this subsection and applicable regulations; or

(V) after being provided written notice by the mechanical licensing collective, refuses to comply with any other material term or condition of the blanket license under this section for a period of 60 calendar days or longer.
“(ii) NOTICE OF DEFAULT AND TERMINATION.—In case of a default by a digital music provider, the mechanical licensing collective may proceed to terminate the blanket license of the digital music provider as follows:

“(I) The mechanical licensing collective shall provide written notice to the digital music provider describing with reasonable particularity the default and advising that unless such default is cured within 60 calendar days after the date of the notice, the blanket license will automatically terminate at the end of that period.

“(II) If the digital music provider fails to remedy the default within the 60-day period referenced in subclause (I), the license shall terminate without any further action on the part of the mechanical licensing collective. Such termination renders the making of all digital phonorecord deliveries of all musical works (and shares thereof) covered by the blanket license for
which the royalty or administrative assessment has not been paid actionable as acts of infringement under section 501 and subject to the remedies provided by sections 502 through 506.

“(iii) NOTICE TO COPYRIGHT OWNERS.—The mechanical licensing collective shall provide written notice of any termination under this subparagraph to copyright owners of affected works.

“(iv) REVIEW BY FEDERAL DISTRICT COURT.—A digital music provider that believes a blanket license was improperly terminated by the mechanical licensing collective may seek review of such termination in Federal district court. The district court shall determine the matter de novo based on the record before the mechanical licensing collective and any additional supporting evidence presented by the parties.

“(5) DIGITAL LICENSEE COORDINATOR.—

“(A) IN GENERAL.—The digital licensee coordinator shall be a single entity that—
“(i) is a nonprofit, not owned by any other entity, that is created to carry out responsibilities under this subsection;

“(ii) is endorsed by and enjoys substantial support from digital music providers and significant nonblanket licensees that together represent the greatest percentage of the licensee market for uses of musical works in covered activities, as measured over the preceding 3 calendar years;

“(iii) is able to demonstrate that it has, or will have prior to the license availability date, the administrative capabilities to perform the required functions of the digital licensee coordinator under this subsection; and

“(iv) has been designated by the Register of Copyrights, with the approval of the Librarian of Congress pursuant to section 702, in accordance with subparagraph (B).

“(B) Designation of Digital Licensee Coordinator.—
“(i) Initial Designation.—The Register of Copyrights shall initially designate the digital licensee coordinator within 9 months after the enactment date, in accordance with the same procedure described for designation of the mechanical licensing collective in paragraph (3)(B)(i).

“(ii) Periodic Review of Designation.—Following the initial designation of the digital licensee coordinator, the Register shall, every 5 years, beginning with the fifth full calendar year to commence after the initial designation, determine whether the existing designation should be continued, or a different entity meeting the criteria described in clauses (i) through (iii) of subparagraph (A) should be designated, in accordance with the same procedure described for the mechanical licensing collective in paragraph (3)(B)(ii).

“(iii) Inability to Designate.—If the Register is unable to identify an entity that fulfills each of the qualifications described in clauses (i) through (iii) of subparagraph (A) to serve as the digital li-
licensee coordinator, the Register may decline to designate a digital licensee coordinator. The Register’s determination not to designate a digital licensee coordinator shall not negate or otherwise affect any provision of this subsection except to the limited extent that a provision references the digital licensee coordinator. In such case, the reference to the digital licensee coordinator shall be without effect unless and until a new digital licensee coordinator is designated.

“(C) AUTHORITIES AND FUNCTIONS.—

“(i) IN GENERAL.—The digital licensee coordinator is authorized to perform the following functions, subject to more particular requirements as described in this subsection:

“(I) Establish a governance structure, criteria for membership, and any dues to be paid by its members.

“(VIII) Engage in such other activities as may be necessary or appropriate to fulfill its responsibilities under this subsection.

“(ii) RESTRICTION ON LOBBYING.— The digital licensee coordinator may not engage in government lobbying activities, but may engage in the activities described in subclauses (III), (IV), and (V) of clause (i).

“(iii) ASSISTANCE WITH PUBLICITY FOR UNCLAIMED ROYALTIES.— The digital licensee coordinator shall make reasonable, good-faith efforts to assist the mechanical licensing collective in the efforts of the collective to locate and identify copyright owners of unmatched musical works (and shares of such works) by encouraging digital music providers to publicize the existence of the collective and the ability of copyright owners to claim unclaimed accrued royalties, including by—

“(I) posting contact information for the collective at reasonably promi-
nent locations on digital music pro-
vider websites and applications; and

“(II) conducting in-person out-
reach activities with songwriters.

“(6) REQUIREMENTS FOR SIGNIFICANT NON-
BLANKET LICENSEES.—

“(A) IN GENERAL.—

“(i) NOTICE OF ACTIVITY.—Not later
than 45 calendar days after the license
availability date, or 45 calendar days after
the end of the first full calendar month in
which an entity initially qualifies as a sig-
nificant nonblanket licensee, whichever oc-
curs later, a significant nonblanket licensee
shall submit a notice of nonblanket activity
to the mechanical licensing collective. The
notice of nonblanket activity shall comply
in form and substance with requirements
that the Register of Copyrights shall estab-
lish by regulation, and a copy shall be
made available to the digital licensee coor-
dinator.

“(ii) REPORTING AND PAYMENT OBLI-
gATIONS.—The notice of nonblanket activ-
ity submitted to the mechanical licensing
collective shall be accompanied by a report of usage that contains the information described in paragraph (4)(A)(ii), as well as any payment of the administrative assessment required under this subsection and applicable regulations. Thereafter, subject to clause (iii), a significant nonblanket licensee shall continue to provide monthly reports of usage, accompanied by any required payment of the administrative assessment, to the mechanical licensing collective. Such reports and payments shall be submitted not later than 45 calendar days after the end of the calendar month being reported.

“(iii) Discontinuation of Obligations.—An entity that has submitted a notice of nonblanket activity to the mechanical licensing collective that has ceased to qualify as a significant nonblanket licensee may so notify the collective in writing. In such case, as of the calendar month in which such notice is provided, such entity shall no longer be required to provide reports of usage or pay the administrative
assessment, but if such entity later qualifies as a significant nonblanket licensee, such entity shall again be required to comply with clauses (i) and (ii).

“(B) REPORTING BY MECHANICAL LICENSING COLLECTIVE TO DIGITAL LICENSEE COORDINATOR.—

“(i) MONTHLY REPORTS OF NON-COMPLIANT LICENSEES.—The mechanical licensing collective shall provide monthly reports to the digital licensee coordinator setting forth any significant nonblanket licensees of which the collective is aware that have failed to comply with subparagraph (A).

“(ii) TREATMENT OF CONFIDENTIAL INFORMATION.—The mechanical licensing collective and digital licensee coordinator shall take appropriate steps to safeguard the confidentiality and security of financial and other sensitive data shared under this subparagraph, in accordance with the confidentiality requirements prescribed by the Register of Copyrights under paragraph (12)(C).
“(C) Legal enforcement efforts.—

“(i) Federal court action.— Should the mechanical licensing collective or digital licensee coordinator become aware that a significant nonblanket licensee has failed to comply with subparagraph (A), either may commence an action in Federal district court for damages and injunctive relief. If the significant nonblanket licensee is found liable, the court shall, absent a finding of excusable neglect, award damages in an amount equal to three times the total amount of the unpaid administrative assessment and, notwithstanding anything to the contrary in section 505, reasonable attorney’s fees and costs, as well as such other relief as the court deems appropriate. In all other cases, the court shall award relief as appropriate. Any recovery of damages shall be payable to the mechanical licensing collective as an offset to the collective total costs.

“(ii) Statute of limitations for enforcement action.—Any action de-
scribed in this subparagraph shall be commenced within the time period described in section 507(b).

“(iii) Other rights and remedies preserved.—The ability of the mechanical licensing collective or digital licensee coordinator to bring an action under this subparagraph shall in no way alter, limit or negate any other right or remedy that may be available to any party at law or in equity.

“(7) Funding of mechanical licensing collective.—

“(A) In general.—The collective total costs shall be funded by—

“(i) an administrative assessment, as such assessment is established by the Copyright Royalty Judges pursuant to subparagraph (D) from time to time, to be paid by—

“(I) digital music providers that are engaged, in all or in part, in covered activities pursuant to a blanket license; and
“(II) significant nonblanket licensees; and

“(ii) voluntary contributions from digital music providers and significant nonblanket licensees as may be agreed with copyright owners.

“(B) VOLUNTARY CONTRIBUTIONS.—

“(i) AGREEMENTS CONCERNING CONTRIBUTIONS.—Except as provided in clause (ii), voluntary contributions by digital music providers and significant nonblanket licensees shall be determined by private negotiation and agreement, and the following conditions apply:

“(I) The date and amount of each voluntary contribution to the mechanical licensing collective shall be documented in a writing signed by an authorized agent of the mechanical licensing collective and the contributing party.

“(II) Such agreement shall be made available as required in proceedings before the Copyright Royalty Judges to establish or adjust the ad-
ministrative assessment in accordance with applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

“(ii) Treatment of Contributions.—Each such voluntary contribution shall be treated for purposes of an administrative assessment proceeding as an offset to the collective total costs that would otherwise be recovered through the administrative assessment. Any allocation or reallocation of voluntary contributions between or among individual digital music providers or significant nonblanket licensees shall be a matter of private negotiation and agreement among such parties and outside the scope of the administrative assessment proceeding.

“(C) Interim Application of Accrued Royalties.—In the event that the administrative assessment, together with any funding from voluntary contributions as provided in subparagraphs (A) and (B), is inadequate to cover current collective total costs, the collective, with approval of its board of directors, may apply
unclaimed accrued royalties on an interim basis to defray such costs, subject to future reimbursement of such royalties from future collections of the assessment.

“(D) Determination of Administrative Assessment.—

“(i) Administrative assessment to cover collective total costs.—The administrative assessment shall be used solely and exclusively to fund the collective total costs.

“(ii) Separate proceeding before Copyright Royalty Judges.—The amount and terms of the administrative assessment shall be determined and established in a separate and independent proceeding before the Copyright Royalty Judges, according to the procedures described in clauses (iii) and (iv). The administrative assessment determined in such proceeding shall—

“(I) be wholly independent of royalty rates and terms applicable to digital music providers, which shall not be taken into consideration in any
manner in establishing the administrative assessment;

“(II) be established by the Copyright Royalty Judges in an amount that is calculated to defray the reasonable collective total costs;

“(III) be assessed based on usage of musical works by digital music providers and significant nonblanket licensees in covered activities under both compulsory and nonblanket licenses;

“(IV) may be in the form of a percentage of royalties payable under this section for usage of musical works in covered activities (regardless of whether a different rate applies under a voluntary license), or any other usage-based metric reasonably calculated to equitably allocate the collective total costs across digital music providers and significant nonblanket licensees engaged in covered activities, but shall include as a component a minimum fee for all digital
music providers and significant non-blanket licensees; and

“(V) take into consideration anticipated future collective total costs and collections of the administrative assessment, but also, as applicable—

“(aa) any portion of past actual collective total costs of the mechanical licensing collective not funded by previous collections of the administrative assessment or voluntary contributions because such collections or contributions together were insufficient to fund such costs;

“(bb) any past collections of the administrative assessment and voluntary contributions that exceeded past actual collective total costs, resulting in a surplus;

and

“(cc) the amount of any voluntary contributions by digital music providers or significant nonblanket licensees in relevant
periods, described in subpar-
graphs (A) and (B) of paragraph
(7).

“(iii) INITIAL ADMINISTRATIVE AS-
SESSMENT.—The procedure for estab-
lishing the initial administrative assess-
ment shall be as follows:

“(I) The Copyright Royalty
Judges shall commence a proceeding
to establish the initial administrative
assessment within 9 months after the
enactment date by publishing a notice
in the Federal Register seeking peti-
tions to participate.

“(II) The mechanical licensing
collective and digital licensee coordi-
nator shall participate in such pro-
ceeding, along with any interested
copyright owners, digital music pro-
viders or significant nonblanket licens-
ees that have notified the Copyright
Royalty Judges of their desire to par-
ticipate.

“(III) The Copyright Royalty
Judges shall establish a schedule for
submission by the parties of information that may be relevant to establishing the administrative assessment, including actual and anticipated collective total costs of the mechanical licensing collective, actual and anticipated collections from digital music providers and significant nonblanket licensees, and documentation of voluntary contributions, as well as a schedule for further proceedings, which shall include a hearing, as they deem appropriate.

“(IV) The initial administrative assessment shall be determined, and such determination shall be published in the Federal Register by the Copyright Royalty Judges, within 1 year after commencement of the proceeding described in this clause. The determination shall be supported by a written record. The initial administrative assessment shall be effective as of the license availability date, and shall continue in effect unless and until an ad-
justed administrative assessment is established pursuant to an adjustment proceeding under clause (iii).

“(iv) ADJUSTMENT OF ADMINISTRATIVE ASSESSMENT.—The administrative assessment may be adjusted by the Copyright Royalty Judges periodically, in accordance with the following procedures:

“(I) No earlier than 1 year after the most recent publication of a determination of the administrative assessment by the Copyright Royalty Judges, the mechanical licensing collective, the digital licensee coordinator, or one or more interested copyright owners, digital music providers, or significant nonblanket licensees, may file a petition with the Copyright Royalty Judges in the month of May to commence a proceeding to adjust the administrative assessment.

“(II) Notice of the commencement of such proceeding shall be published in the Federal Register in the month of June following the filing of
any petition, with a schedule of requested information and additional proceedings, as described in clause (iii)(III). The mechanical licensing collective and digital licensee coordinator shall participate in such proceeding, along with any interested copyright owners, digital music providers, or significant nonblanket licensees that have notified the Copyright Royalty Judges of their desire to participate.

“(III) The determination of the adjusted administrative assessment, which shall be supported by a written record, shall be published in the Federal Register during June of the calendar year following the commencement of the proceeding. The adjusted administrative assessment shall take effect January 1 of the year following such publication.

“(v) ADOPTION OF VOLUNTARY AGREEMENTS.—In lieu of reaching their own determination based on evaluation of
relevant data, the Copyright Royalty Judges shall approve and adopt a negotiated agreement to establish the amount and terms of the administrative assessment that has been agreed to by the mechanical licensing collective and the digital licensee coordinator (or if none has been designated, interested digital music providers and significant nonblanket licensees representing more than half of the market for uses of musical works in covered activities), but the Copyright Royalty Judges shall have the discretion to reject any such agreement for good cause shown. An administrative assessment adopted under this clause shall apply to all digital music providers and significant nonblanket licensees engaged in covered activities during the period it is in effect.

“(vi) CONTINUING AUTHORITY TO AMEND.—The Copyright Royalty Judges shall retain continuing authority to amend a determination of an administrative assessment to correct technical or clerical errors, or modify the terms of implementa-
tion, for good cause, with any such amend-
ment to be published in the Federal Reg-
ister.

“(vii) APPEAL OF ADMINISTRATIVE
ASSESSMENT.—The determination of an
administrative assessment by the Copy-
right Royalty Judges shall be appealable,
within 30 calendar days after publication
in the Federal Register, to the Court of
Appeals for the District of Columbia Cir-
cuit by any party that fully participated in
the proceeding. The administrative assess-
ment as established by the Copyright Roy-
alty Judges shall remain in effect pending
the final outcome of any such appeal, and
the mechanical licensing collective, digital
licensee coordinator, digital music pro-
viders, and significant nonblanket licensees
shall implement appropriate financial or
other measures within 3 months after any
modification of the assessment to reflect
and account for such outcome.

“(viii) REGULATIONS.—The Copyright
Royalty Judges may adopt regulations to
govern the conduct of proceedings under this paragraph.

“(8) Establishment of rates and terms under blanket license.—

“(A) Restrictions on rate setting participation.—Neither the mechanical licensing collective nor the digital licensee coordinator shall be a party to a proceeding described in subsection (c)(1)(E), but either may gather and provide financial and other information for the use of a party to such a proceeding and comply with requests for information as required under applicable statutory and regulatory provisions and rulings of the Copyright Royalty Judges.

“(B) Application of late fees.—In any proceeding described in subparagraph (A) in which the Copyright Royalty Judges establish a late fee for late payment of royalties for uses of musical works under this section, such fee shall apply to covered activities under blanket licenses, as follows:

“(i) Late fees for past due royalty payments shall accrue from the due date
for payment until payment is received by
the mechanical licensing collective.

“(ii) The availability of late fees shall
in no way prevent a copyright owner or the
mechanical licensing collective from assert-
ing any other rights or remedies to which
such copyright owner or the mechanical li-
censing collective may be entitled under
this title.

“(C) INTERIM RATE AGREEMENTS IN GEN-
eral.—For any covered activity for which no
rate or terms have been established by the
Copyright Royalty Judges, the mechanical li-
censing collective and any digital music provider
may agree to an interim rate and terms for
such activity under the blanket license, and any
such rate and terms—

“(i) shall be treated as nonpreceden-
tial and not cited or relied upon in any
ratesetting proceeding before the Copyright
Royalty Judges or any other tribunal; and

“(ii) shall automatically expire upon
the establishment of a rate and terms for
such covered activity by the Copyright
Royalty Judges, under subsection (c)(1)(E).

“(D) ADJUSTMENTS FOR INTERIM RATES.—The rate and terms established by the Copyright Royalty Judges for a covered activity to which an interim rate and terms have been agreed under subparagraph (C) shall supersede the interim rate and terms and apply retroactively to the inception of the activity under the blanket license. In such case, within 3 months after the rate and terms established by the Copyright Royalty Judges become effective—

“(i) if the rate established by the Copyright Royalty Judges exceeds the interim rate, the digital music provider shall pay to the mechanical licensing collective the amount of any underpayment of royalties due; or

“(ii) if the interim rate exceeds the rate established by the Copyright Royalty Judges, the mechanical licensing collective shall credit the account of the digital music provider for the amount of any overpayment of royalties due.
“(9) TRANSITION TO BLANKET LICENSES.—

“(A) SUBSTITUTION OF BLANKET LICENSE.—On the license availability date, a blanket license shall, without any interruption in license authority enjoyed by such digital music provider, be automatically substituted for and supersede any existing compulsory license previously obtained under this section by the digital music provider from a copyright owner to engage in one or more covered activities with respect to a musical work, but the foregoing shall not apply to any authority obtained from a record company pursuant to a compulsory license to make and distribute permanent downloads unless and until such record company terminates such authority in writing to take effect at the end of a monthly reporting period, with a copy to the mechanical licensing collective.

“(B) EXPIRATION OF EXISTING LICENSES.—Except to the extent provided in subparagraph (A), on and after the license availability date, licenses other than individual download licenses obtained under this section
for covered activities prior to the license availability date shall no longer continue in effect.

“(C) Treatment of Voluntary Licenses.—A voluntary license for a covered activity in effect on the license availability date will remain in effect unless and until the voluntary license expires according to the terms of the voluntary license, or the parties agree to amend or terminate the voluntary license. In a case where a voluntary license for a covered activity entered into before the license availability date incorporates the terms of this section by reference, the terms so incorporated (but not the rates) shall be those in effect immediately prior to the license availability date, and those terms shall continue to apply unless and until such voluntary license is terminated or amended, or the parties enter into a new voluntary license.

“(D) Further Acceptance of Notices for Covered Activities by Copyright Office.—On and after the enactment date—

“(i) the Copyright Office shall no longer accept notices of intention with respect to covered activities; and
“(ii) previously filed notices of intention will no longer be effective or provide license authority with respect to covered activities, but before the license availability date there shall be no liability under section 501 for the reproduction or distribution of a musical work (or share thereof) in covered activities if a valid notice of intention was filed for such work (or share) before the enactment date.

“(10) PRIOR UNLICENSED USES.—

“(A) LIMITATION ON LIABILITY IN GENERAL.—A copyright owner that commences an action under section 501 on or after January 1, 2018, against a digital music provider for the infringement of the exclusive rights provided by paragraph (1) or (3) of section 106 arising from the unauthorized reproduction or distribution of a musical work by such digital music provider in the course of engaging in covered activities prior to the license availability date, shall, as the copyright owner's sole and exclusive remedy against the digital music provider, be eligible to recover the royalty prescribed under subsection (c)(1)(C) and chapter 8 of
this title, from the digital music provider, pro-
vided that such digital music provider can dem-
onstrate compliance with the requirements of
subparagraph (B), as applicable. In all other
cases the limitation on liability under this sub-
paragraph shall not apply.

“(B) Requirements for limitation on
liability.—The following requirements shall
apply on the enactment date and through the
end of the period that expires 90 days after the
license availability date to digital music pro-
viders seeking to avail themselves of the limita-
tion on liability described in subparagraph (A):

“(i) No later than 30 calendar days
after first making a particular sound re-
cording of a musical work available
through its service via one or more covered
activities, or 30 calendar days after the en-
actment date, whichever occurs later, a
digital music provider shall engage in
good-faith, commercially reasonable efforts
to identify and locate each copyright owner
of such musical work (or share thereof).
Such required matching efforts shall in-
clude the following:
“(I) Good-faith, commercially reasonable efforts to obtain from the owner of the corresponding sound recording made available through the digital music provider’s service the following information:

“(aa) Sound recording name, featured artist, sound recording copyright owner, producer, international standard recording code, and other information commonly used in the industry to identify sound recordings and match them to the musical works they embody.

“(bb) Any available musical work ownership information, including each songwriter and publisher name, percentage ownership share, and international standard musical work code.

“(II) Employment of one or more bulk electronic matching processes that are available to the digital music provider through a third-party vendor.
on commercially reasonable terms, but a digital music provider may rely on its own bulk electronic matching process if it has capabilities comparable to or better than those available from a third-party vendor on commercially reasonable terms.

“(ii) The required matching efforts shall be repeated by the digital music provider no less than once per month for so long as the copyright owner remains unidentified or has not been located.

“(iii) If the required matching efforts are successful in identifying and locating a copyright owner of a musical work (or share thereof) by the end of the calendar month in which the digital music provider first makes use of the work, the digital music provider shall provide statements of account and pay royalties to such copyright owner in accordance with this section and applicable regulations.

“(iv) If the copyright owner is not identified or located by the end of the calendar month in which the digital music
provider first makes use of the work, the
digital music provider shall accrue and
hold royalties calculated under the applica-
ble statutory rate in accordance with usage
of the work, from initial use of the work
until the accrued royalties can be paid to
the copyright owner or are required to be
transferred to the mechanical licensing col-
lective, as follows:

“(I) Accrued royalties shall be
maintained by the digital music pro-
vider in accordance with generally ac-
cepted accounting principles.

“(II) If a copyright owner of an
unmatched musical work (or share
thereof) is identified and located by or
to the digital music provider before
the license availability date, the digital
music provider shall—

“(aa) within 45 calendar
days after the end of the cal-
endar month during which the
copyright owner was identified
and located, pay the copyright
owner all accrued royalties, such
payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copyright owner had the digital music provider been providing monthly statements of account to the copyright owner from initial use of the work in accordance with this section and applicable regulations, including the requisite certification under subsection (c)(2)(I);

“(bb) beginning with the accounting period following the calendar month in which the copyright owner was identified and located, and for all other accounting periods prior to the license availability date, provide monthly statements of account and pay royalties to the copyright owner as required under this section and applicable regulations; and
beginning with the monthly royalty reporting period commencing on the license availability date, report usage and pay royalties for such musical work (or share thereof) for such reporting period and reporting periods thereafter to the mechanical licensing collective, as required under this subsection and applicable regulations.

“(III) If a copyright owner of an unmatched musical work (or share thereof) is not identified and located by the license availability date, the digital music provider shall—

“(aa) within 45 calendar days after the license availability date, transfer all accrued royalties to the mechanical licensing collective, such payment to be accompanied by a cumulative statement of account that includes all of the information that would have been provided to the copy-
right owner had the digital music
provider been serving monthly
statements of account on the
copyright owner from initial use
of the work in accordance with
this section and applicable regu-
lations, including the requisite
certification under subsection
(c)(2)(I), and accompanied by an
additional certification by a duly
authorized officer of the digital
music provider that the digital
music provider has fulfilled the
requirements of clauses (i) and
(ii) of subparagraph (B) but has
not been successful in locating or
identifying the copyright owner;
and
“(bb) beginning with the
monthly royalty reporting period
commencing on the license avail-
ability date, report usage and pay
royalties for such musical work
(or share thereof) for such period
and reporting periods thereafter
to the mechanical licensing collective, as required under this subsection and applicable regulations.

“(v) Suspension of Late Fees.—A digital music provider that complies with the requirements of this paragraph with respect to unmatched musical works (or shares of works) shall not be liable for or accrue late fees for late payments of royalties for such works until such time as the digital music provider is required to begin paying monthly royalties to the copyright owner or the mechanical licensing collective, as applicable.

“(C) Adjusted Statute of Limitations.—Notwithstanding anything to the contrary in section 507(b), with respect to any claim of infringement of the exclusive rights provided by paragraphs (1) and (3) of section 106 against a digital music provider arising from the unauthorized reproduction or distribution of a musical work by such digital music provider to engage in covered activities that accrued no more than 3 years prior to the license
availability date, such action may be com-
menced within 3 years of the date the claim ac-
crued, or up to 2 years after the license avail-
ability date, whichever is later.

“(D) Other rights and remedies pre-
served.—Except as expressly provided in this
paragraph, nothing in this paragraph shall be
construed to alter, limit, or negate any right or
remedy of a copyright owner with respect to un-
authorized use of a musical work.

“(11) Legal protections for licensing ac-
tivities.—

“(A) Exemption for compulsory li-
cense activities.—The antitrust exemption
described in subsection (c)(1)(D) shall apply to
negotiations and agreements between and
among copyright owners and persons entitled to
obtain a compulsory license for covered activi-
ties, and common agents acting on behalf of
such copyright owners or persons, including
with respect to the administrative assessment
established under this subsection.

“(B) Limitation on common agent ex-
emption.—Notwithstanding the antitrust ex-
emption provided in subsection (c)(1)(D) and
subsection (A) (except for the administrative assessment referenced therein and except as provided in paragraph (8)(C)), neither the mechanical licensing collective nor the digital licensee coordinator shall serve as a common agent with respect to the establishment of royalty rates or terms under this section.

“(C) ANTITRUST EXEMPTION FOR ADMINISTRATIVE ACTIVITIES.—Notwithstanding any provision of the antitrust laws, copyright owners and persons entitled to obtain a compulsory license under this section may designate the mechanical licensing collective to administer voluntary licenses for the reproduction or distribution of musical works in covered activities on behalf of such copyright owners and persons, but the following conditions apply:

“(i) Each copyright owner shall establish the royalty rates and material terms of any such voluntary license individually and not in agreement, combination, or concert with any other copyright owner.

“(ii) Each person entitled to obtain a compulsory license under this section shall establish the royalty rates and material
terms of any such voluntary license individually and not in agreement, combination, or concert with any other digital music provider.

“(iii) The mechanical licensing collective shall maintain the confidentiality of the voluntary licenses in accordance with the confidentiality provisions prescribed by the Register of Copyrights under paragraph (12)(C).

“(D) LIABILITY FOR GOOD-FAITH ACTIVITIES.—The mechanical licensing collective shall not be liable to any person or entity based on a claim arising from its good-faith administration of policies and procedures adopted and implemented to carry out the responsibilities described in subparagraphs (J) and (K) of paragraph (3), except to the extent of correcting an underpayment or overpayment of royalties as provided in paragraph (3)(L)(i)(VI), but the collective may participate in a legal proceeding as a stakeholder party if the collective is holding funds that are the subject of a dispute between copyright owners. For purposes of this subparagraph, ‘good-faith administration’
means administration in a manner that is not grossly negligent.

“(A) **Adoption by Register of Copyrights and Copyright Royalty Judges.**—The Register of Copyrights may conduct such proceedings and adopt such regulations as may be necessary or appropriate to effectuate the provisions of this subsection, except for regulations concerning proceedings before the Copy

“(B) JUDICIAL REVIEW OF REGULATIONS.—Except as provided in paragraph (7)(D)(vii), regulations adopted under this subsection shall be subject to judicial review pursuant to chapter 7 of title 5.

“(C) PROTECTION OF CONFIDENTIAL INFORMATION.—The Register of Copyrights shall adopt regulations to provide for the appropriate procedures to ensure that confidential, private, proprietary, or privileged information contained in the records of the mechanical licensing collective and digital licensee coordinator is not improperly disclosed or used, including through any disclosure or use by the board of directors or personnel of either entity, and specifically including the unclaimed royalties oversight committee and the dispute resolution committee of the mechanical licensing collective.

“(13) SAVINGS CLAUSES.—

“(A) LIMITATION ON ACTIVITIES AND RIGHTS COVERED.—This subsection applies solely to uses of musical works subject to licens-
ing under this section. The blanket license shall not be construed to extend or apply to activities other than covered activities or to rights other than the exclusive rights of reproduction and distribution licensed under this section, or serve or act as the basis to extend or expand the compulsory license under this section to activities and rights not covered by this section on the enactment date.

“(B) RIGHTS OF PUBLIC PERFORMANCE NOT AFFECTED.—The rights, protections, and immunities granted under this subsection, the data concerning musical works collected and made available under this subsection, and the definitions described in subsection (e) shall not extend to, limit, or otherwise affect any right of public performance in a musical work.”; and

SEC. 302. PAYMENT OF STATUTORY PERFORMANCE ROYALTIES.

(a) Letter of Direction.—Section 114(g) of title 17, United States Code, is amended by adding at the end the following new paragraph:

“(5) Letter of Direction.—

“(A) In general.—A nonprofit collective designated by the Copyright Royalty Judges to distribute receipts from the licensing of transmissions in accordance with subsection (f) shall
adopt and reasonably implement a policy that provides, in circumstances determined by the collective to be appropriate, for acceptance of instructions from a payee identified under subparagraph (A) or (D) of paragraph (2) to distribute, to a producer, mixer, or sound engineer who was part of the creative process that created a sound recording, a portion of the payments to which the payee would otherwise be entitled from the licensing of transmissions of the sound recording. In this section, such instructions shall be referred to as a ‘letter of direction’.

“(B) Acceptance of letter.—To the extent that the collective accepts a letter of direction under subparagraph (A), the person entitled to payment pursuant to the letter of direction shall, during the period in which the letter of direction is in effect and carried out by the collective, be treated for all purposes as the owner of the right to receive such payment, and the payee providing the letter of direction to the collective shall be treated as having no interest in such payment.
“(C) Authority of collective.—This paragraph shall not be construed in such a manner so that the collective is not authorized to accept or act upon payment instructions in circumstances other than those to which this paragraph applies.”.

(b) Additional Provisions for Recordings Fixed Before November 1, 1995.—Section 114(g) of title 17, United States Code, as amended by subsection (a), is further amended by adding at the end the following new paragraph:

“(6) Sound recordings fixed before November 1, 1995.—

“(A) Payment absent letter of direction.—A nonprofit collective designated by the Copyright Royalty Judges to distribute receipts from the licensing of transmissions in accordance with subsection (f) (in this paragraph referred to as the ‘collective’) shall adopt and reasonably implement a policy that provides, in circumstances determined by the collective to be appropriate, for the deduction of 2 percent of all the receipts that are collected from the licensing of transmissions of a sound recording fixed before November 1, 1995, but which is
withdrawn from the amount otherwise payable
under paragraph (2)(D) to the recording artist
or artists featured on the sound recording (or
the persons conveying rights in the artists’ per-
formance in the sound recording), and the dis-
tribution of such amount to one or more per-
sons described in subparagraph (B), after de-
duction of costs described in paragraph (3) or
(4), as applicable, if each of the following re-
quirements is met:

“(i) Certification of Attempt to
Obtain a Letter of Direction.—The
person described in subparagraph (B) who
is to receive the distribution has certified
to the collective, under penalty of perjury,
that—

“(I) for a period of at least 4
months, that person made reasonable
efforts to contact the artist payee for
such sound recording to request and
obtain a letter of direction instructing
the collective to pay to that person a
portion of the royalties payable to the
featured recording artist or artists;
and
“(II) during the period beginning
on the date that person began the rea-
sonable efforts described in subclause
(I) and ending on the date of that
person’s certification to the collective,
the artist payee did not affirm or
deny in writing the request for a let-
ter of direction.

“(ii) COLLECTIVE ATTEMPT TO con-
tact artist.—After receipt of the certifi-
cation described in clause (i) and for a pe-
riod of at least 4 months before the collec-
tive’s first distribution to the person de-
scribed in subparagraph (B), the collective
attempted, in a reasonable manner as de-
termined by the collective, to notify the
artist payee of the certification made by
the person described in subparagraph (B).

“(iii) NO OBJECTION RECEIVED.—The
artist payee did not, as of the date that is
10 business days before the date on which
the first distribution is made, submit to
the collective in writing an objection to the
distribution.
“(B) Eligibility for payment.—A person shall be eligible for payment under subparagraph (A) if the person—

“(i) is a producer, mixer, or sound engineer of the sound recording;

“(ii) has entered into a written contract with a record company involved in the creation or lawful exploitation of the sound recording, or with the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists’ performance in the sound recording), under which the person seeking payment is entitled to participate in royalty payments that are based on the exploitation of the sound recording and are payable from royalties otherwise payable to the recording artist or artists featured on the sound recording (or the persons conveying rights in the artists’ performance in the sound recording);

“(iii) made a creative contribution to the creation of the sound recording; and

“(iv) submits a written certification to the collective stating, under penalty of per-
jury, that the person meets the require-
ments in clauses (i) through (iii) and in-
cludes a true copy of the contract de-
scribed in clause (ii).

“(C) MULTIPLE CERTIFICATIONS.—Sub-
ject to subparagraph (D), in a case in which
more than one person described in subpara-
graph (B) has met the requirements for a dis-
tribution under subparagraph (A) with respect
to a sound recording as of the date that is 10
business days before the date on which a dis-
tribution is made, the collective shall divide the
2 percent distribution equally among all such
persons.

“(D) OBJECTION TO PAYMENT.—Not later
than 10 business days after the date on which
the collective receives from the artist payee a
written objection to a distribution made pursu-
ant to subparagraph (A), the collective shall
cease making any further payment relating to
such distribution. In any case in which the col-
lective has made one or more distributions pur-
suant to subparagraph (A) to a person de-
scribed in subparagraph (B) before the date
that is 10 business days after the date on which
the collective receives from the artist payee an
objection to such distribution, the objection
shall not affect that person’s entitlement to any
distribution made before the collective ceases
such distribution under this subparagraph.

“(E) OWNERSHIP OF THE RIGHT TO RE-
CEIVE PAYMENTS.—To the extent that the col-
lective determines that a distribution will be
made under subparagraph (A) to a person de-
scribed in subparagraph (B), such person shall,
during the period covered by such distribution,
be treated for all purposes as the owner of the
right to receive such payments, and the artist
payee to whom such payments would otherwise
be payable shall be treated as having no inter-
est in such payments.

“(F) ARTIST PAYEE DEFINED.—In this
paragraph, the term ‘artist payee’ means a per-
son, other than a person described in subpara-
graph (B), who owns the right to receive all or
part of the receipts payable under paragraph
(2)(D) with respect to a sound recording. In a
case in which there are multiple artist payees
with respect to a sound recording, an objection
by one such payee shall apply only to that pay-
ee's share of the receipts payable under paragraph (2)(D), and does not preclude payment under subparagraph (A) from the share of an artist payee that does not so object.”.
