

**PROSECUTOR GENERAL
ANDRIY KOSTIN**

Dear Ranking Member Graham,

On behalf of the Prosecutor General's Office of Ukraine, allow me to express my deepest respect to you as well as sincere appreciation for the constant and unfaltering support extended to Ukraine following Russia's illegal invasion of Ukraine. We highly value the contribution of the U.S. Senate and believe in our common victory, which continues to be a source of encouragement and hope to us and Ukrainian people.

I would like to use this opportunity and address you regarding the Wagner Group. Its activities represent a transnational security threat for Ukraine and Ukrainian nation, as well as for international peace and stability globally. Members of the Wagner Group as well as affiliated individuals are actively engaged in commission of international crimes and grave human rights violations in Ukraine and elsewhere, with frequent use of methods and tactics of terrorism.

Therefore, we would like to urge you to counter the Wagner Group as a transnational security threat through the appropriate and available measures.

Once again, we are grateful to have esteemed United States Senators as allies in our fight for justice, freedom and peace in Ukraine and throughout the world. We are hopeful that we can continue to rely on your consistent and unwavering support.

The Prosecutor General's Office of Ukraine reiterates its highest consideration and looks forward to further opportunities for long-term, constructive, and fruitful cooperation.

Sincerely,

Andriy KOSTIN
