The Honorable Charles E. Grassley
Ranking Member, Committee on the Judiciary
United States Senate
224 Dirksen Senate Office Building
Washington, D.C. 20510

Dear Chairman Durbin and Senator Grassley:

This letter is written in support of Sarah E. Geraghty's nomination to the United States District Court for the Northern District of Georgia. I know Sarah through her stellar reputation as counsel and by way of working with her on two cases in the United States District Court for the Middle District of Georgia. The two cases were *Elizabeth King, et. al., v. Consolidated Government of Columbus, Georgia, et. al.*, 4:16-CV-372 and *Cleopatra Harrison v. Consolidated Government of Columbus, Georgia, et. al.*, 4:16-CV-329.

Sarah Geraghty's work ethic, judgment and dedication to justice impressed me. As a state prosecutor for twenty years, and now criminal defense and civil plaintiffs counsel, I have seen many state judges and some federal judges in action. As you know, trial lawyers typically appreciate a District Court judge who has substantial courtroom experience, high intellect, and an appropriate temperament. In my humble opinion, Sarah Geraghty has these qualities and she will be a good judge.

I could go on, but Sarah Geraghty's professional achievement and experience are well documented by her public record. From where I sit, it appears that the Senate Judiciary Committee has been blessed in this instance with an easy decision. Thank you.

Respectfully submitted,

Mark C. Post
