March 2, 2021

President Joseph R. Biden  
1600 Pennsylvania Avenue NW  
Washington, DC 20500

Dear Mr. President:

The National Sheriffs' Association (NSA), representing the nation's 3,080 Sheriffs, is in support of the nomination of Lisa Monaco as Deputy Attorney General of the United States. Ms. Monaco is well suited to this role, having ample experience in working with law enforcement during her assignment as Homeland Security and Counterterrorism Advisor from 2013-2017

Ms. Monaco has a breadth of skills and we are confident she can use her extensive experience to help lead the Department.

NSA met with Ms. Monaco and is appreciative of commitment to have honest and direct conversations with Sheriffs and work collaboratively with us in determining policies that will shape the future of law enforcement, community safety and victims' rights. We trust that Ms. Monaco will use all of her extensive experience to ensure that any proposed police reforms will be evidenced-based, in her mission to serve all communities around the United States

We ask the Senate to swiftly confirm Ms. Monaco. Should we be able to assist in the process, please don't hesitate to reach out to us.

Sincerely,
