United States Senate Committee on the Judiciary
224 Dirksen Senate Office Building
Washington, DC 20510

Dear Chairman Durbin, Ranking Member Grassley, and Committee Members:

The National Task Force to End Sexual and Domestic Violence (NTF) represents national, Tribal, state, and local organizations working to end domestic violence and sexual assault. On behalf of millions of survivors, advocates, direct service providers, and communities throughout the United States, we urge you to quickly confirm the nomination of Rosemarie Hidalgo as Director of the Department of Justice Office on Violence Against Women (OVW).

OVW has a pivotal role in ensuring the nation's response to domestic violence, dating violence, sexual assault, and stalking through essential grant programs that support local communities to address and prevent gender-based violence. Additionally, OVW provides essential leadership across the federal government and beyond to prioritize addressing and ending these horrific crimes. The field needs a strong, confirmed leader at the helm of OVW to fulfill these goals.

Ms. Hidalgo is eminently qualified to lead OVW. She is a nationally recognized leader with over 25 years of experience in legislative policy development and implementation, advocacy, grant and program management, and training. Ms. Hidalgo is experienced in developing broad-based coalitions, nationally and globally, across sectors to advance policy advocacy and develop innovative strategies and programming. She is currently the Senior Advisor on Gender-Based Violence and a Special Assistant to the President. Previous positions include Senior Director of Policy at Casa de Esperanza: National Latin@ Network for Healthy Families and Communities (now called Esperanza United) and Deputy Director for Policy at the Department of Justice Office on Violence Against Women.

We respectfully urge you to move forward to confirm Ms. Hidalgo's appointment as soon as possible.

Sincerely,

The National Task Force to End Sexual & Domestic Violence
